Accident at Corbett.

A serious accident occurred at Corbett on Tuesday when J. C. Deaver, a resident of the section, 76 years of age, was struck by an automobile, and badly cut about the head and face, beside receiving many painful body bruises. He was walking along the Columbia highway at the time, and it is reported that a car that was racing with two motorcycles ran him down. Dr. George Ingls and Dr. J. M. Short were called to attend him at Corbett, but his injuries were of so serious a nature that it was necessary to remove him by ambulance to Good Samaritan hospital.

About Rheumatism.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Linctant.—Adv.

POWELL VALLEY

On account of his efficiency as an instructor and the excellent condition of the Powell Valley school, made so under his management, George Metzger has been unanimously re-elected as principal for the coming year. The school board mailed him a written notification following their meeting last week.

A service of deep interest to all in the community will be held at the Swedish Mission church next Sunday morning at 11 o'clock, when memorial addresses will be made for those of the community who died during the influenza epidemic last winter. Brief outdoor services were held then but this is planned a more adequate memorial. Rev. Jonas Johnson and Rev. William Hawkington will speak in memory of Reverend John Almer, Mrs. Charles Carlstadt, Mrs. Charles Johnson and Mrs. Lillie Anderson. Music suitable to the occasion will be given. The relatives and near friends of the deceased are especially invited.

Services for the week at the Swedish Mission church include, besides the memorial service, young peoples' meeting on Saturday at 8 o'clock, Sunday school at 10 o'clock, a service at 8 o'clock in the English language and the usual mid-week prayer service on Thursday evening.

The committees in charge of the community home-coming reception for the soldiers and sailors are busily at work laying plans for the big event. Two committees, the one on the program and that on refreshments, met last night at the home of Mrs. Alta Gentry. They promise some surprises which they will not reveal just yet. The committee on refreshments planned the menu and want every housekeeper in the community to get in touch with one or other of them. They will direct what to bring for the banquet. Those in charge are Mrs. August Peterson, Mrs. Edward Backstrand, Mrs. Emil Saterstrom, Mrs. William Peterson, Mrs. Frank Gustafson, Mrs. Karl J. Hagberg, Mrs. Albert Palmblad, Mrs. Emil Lind and Miss Hilda Staffanson.

Fairview, Ore., April 5, 1919. The following resolution was unanimously adopted at the meeting of Fairview grange No. 344, April 5, 1919.

MRS. C. H. STONE,

PLEASANT HOME

"The Reconstruction of Europe" will be the topic of the pastor, Rev. Earl B. Cotton, at the Methodist church next Sunday morning. He will use the same topic at the afternoon service at Bluff and in the evening at Troutdale. The Pleasant Home church choir will render special music.

A Meeting of general interest will be held at the grange hall at Orient on Saturday evening, May 3, to consider the county unit plan for rural schools and especially Senate Bill 45 of the last legislature. Senator B. F. Mulkey will address the meeting.

The regular service will be held at the Baptist church on Sunday evening, when the pastor, Rev. A. J. Ware, will preach. On Monday evening, May 5th, a special meeting will be commenced with the Pleasant Home church by Rev. W. C. Driver and wife.

SCARCITY OF TEACHERS.

In view of the general scarcity of teachers throughout the county and state, the people of Gresham have reason to congratulate themselves upon retaining the excellent teaching staff now employed in their schools. Other districts have not been so fortunate.

The action of the local school directors in increasing the teachers' salaries to meet the advance in living cost, is in part responsible for the good fortune. But the people themselves may take some of the credit, according to one teacher who is leaving Gresham reluctantly, to make her home in a university town. She assures us that Gresham has seemed more like home to her than any city in which she has taught. The townspeople have made the years of her residence here among the brightest in her life.

SGT. FRANK BELL AND BRIDE COMING

What could be a happier turn of events for a soldier than to return safely to the blessed U. S. A., to find the lady of his choice awaiting him, and to enjoy a honeymoon tour through sunny California into glorious Oregon? That is indeed a dream, but one which has come true for one of Gresham's soldier boys.

Congratulations are in order, but they must be postponed until the first of June, when Sergeant Frank Bell will arrive in Gresham with his bride, formerly Miss Elizabeth Duncan of Olathe, Kansas, where their marriage took place last Sunday.

CORBETT

J. C. Deaver, a pioneer resident of this vicinity, was struck by an automobile Sunday, when he was walking on the Columbia highway between his resident and Chanticleer Inn. He was taken in an ambulance to the Good Samaritan hospital, and it was reported that bones in his legs and arms were broken and he is injured internally. Mr. Deaver is a man 76 years of age and his recovery is doubtful.

Robert and Miss Anna Benfield have moved to Vermillion, Canada, where Mr. Benfield has a farm.

R. M. Davis and wife are enjoying a visit from the former's sister and little daughter from Baker, Oregon.

Mrs. Ethel Smith Stewart returned to her home in Portland Sunday after a week's stay with her mother at Ferndale Place.

The fishing season opened May 1st, and Corbett is again on the map.
