Mrs. D. S. Dunbar, who was taken ill with pneumonia early this week, is reported to be in a critical condition. Mrs. Dunbar is 70 years of age.

Mrs. H. S. Stone received a telegram on Wednesday telling of the serious illness of her niece, Mrs. Edith Menefee at Spokane. Mrs. Stone left the same day to be with her.

The Fairview Commercial club, at the regular meeting on Thursday evening, voted to hold a meeting on next Thursday evening, May 22, for the purpose of discussing the county unit measure. County School Superintendent W. C. Alderson and Attorney B. F. Mulkey of Portland, will be invited to take part in the debate.

Grandma Whitmore, who has been ill for a long time at the home of her daughter, Mrs. A. L. Stone, is very low at this time.

Miss Gladys Hansel, of Portland, is visiting at the home of Mr. and Mrs. J. W. Richards.

PLEASANT HOME

Mrs. I. M. Thomas, chairman of the Pleasant Home auxiliary number 2, American Red Cross, has received a communication from the Portland chapter asking the workers to continue their efforts through May and June, when the vacation time will come. The need for garments at the present time is very great.

The Ladies Aid will meet next Wednesday afternoon, May 21, with Mrs. Frank Lake. Lunch will be served at the close of the afternoon's work.

The cantata, "Ruth", which was recently given at Pleasant Home, was repeated at Sandy on last Friday evening by Pleasant Home talent assisted by Miss Hilda Beyer of Portland, the Misses Laura Shipley, Mildred St. Clair of Gresham, and Miss Marion Forte of the Cottrell school. The musicians were greeted by a good audience.

"The Acid Test" will be the subject of the sermon at the Methodist church next Sunday morning by the pastor, Rev. Earl B. Cotton. He will take the same subject at the 11th church at the afternoon service which commence at 3 o'clock.

Do You Enjoy Life?

A man in good physical condition is almost certain to enjoy life, while the bilious and dyspeptic are despondent, do not enjoy their meals and feel miserable a good share of the time. This ill feeling is nearly always unnecessary. A few doses of Chamberlain's Tablets to tone up the stomach, improve the digestion and regulate the bowels is all that is needed. Try it.—Adv.

BORING

A dear little baby, girl has come to stay with her parents, Mr. and Mrs. Lewis Hauglum. Dr. Botkin said her birthday is May 13, but he did not tell by what beautiful name she would be called.

A new enterprise is being started in our community. Every family garden yields enough cucumbers for salad trimming and pickles for home use. But Walter Jones is setting out a big field of cucumbers, pickles enough and more than all Boring could use up. Should the unexpected occur and Boring get the sweet pickle taste to such a degree that Jones' acre could not meet the demand, T. H. Pitts, who bought the William Hudson place near the pipe line bridge, will be ready to feed the multitude. He is putting in about four acres of cucumbers.

Mr. McCausling has received his order of 550 little chicks, all in excellent spirits. It must be a pretty sight to see so many white peepers, all the same size.

A family picnic was held at J. E. Stefer's country home. In their cars from Portland came several families, among them Mr. and Mrs. Ed Rich, Mr. and Mrs. Clarence Stefer, Mr. and Mrs. Percy Larsen, Mr. and Mrs. Percy Morton, Mr. and Mrs. C. Turnbow and children, and Mr. Len Stefer. It was in the nature of a surprise on their host, so five gallons of ice cream, baskets of cakes, bowls of salad, stacks of sandwiches, nearly a truck load of goodies in all. A gala day was celebrated even though ice cream had to be eaten around the heating stove because of the chilly showers during the day. Edwin Stefer, who is at Goat Island was not forgotten. A generous sample of everything was sent to him, so he too could enjoy the party even though it was at long distance.

Of course, it was a misprint. Neighborhood subscription for grading down Wellman Hill was \$200, not \$2000. Yet the enterprising people in that part of the county are equal to any amount—so what's a little mistake of \$1800 to mention?

PLEASANT VIEW

Mrs. Surber, who has been quite ill for a number of months, is so much improved that she is able to get out doors a little while each day.

William Hurt and family have been enjoying a visit with Mr. Hurt's mother and sister from the East, who were called here by the death of Mr. Hurt's brother at Woodburn recently. They expect to return East soon.

Mrs. Lucy Kincaid received word recently that Ralph is again at Camp Lewis. He landed in New York, May 24, and will probably be home soon.

Mrs. Elsie Hulit was taken suddenly ill Sunday and when the doctor was called on Monday, he pronounced the trouble appendicitis. She was hurried to the hospital where an operation was performed and at the last report she was doing nicely.

The woodard family entertained a number of friends and relatives on Sunday. Among those present were Mrs. Emily who recently returned from Kellogg, Idaho, Mr. Babbitt, the son-in-law, who accompanied her here on a short visit, Al and Fred Emily, Roy Emily and family, of Huriburt and Mrs. Jackson, Bernice also spent the week-end at home.

TROUTDALE

The announcement has been made of an interesting meeting to be held at the church next Sunday evening at 8 o'clock, when Burgess Ford, who was a Y. M. C. A. secretary in France, will tell some of his experiences. All are invited to attend, as this promises to be a real treat.

POWELL VALLEY GIVES ROYAL WELCOME

Hardly enough can be said in praise of the Welcome Home reception given the soldiers at Powell Valley, last Saturday evening. Everybody came, everybody so glad to have these precious boys home again, and everyone so proud of them.

Rev. John Truedson, in behalf of the churches and community welcomed the boys home. Roy Johnson, not the least bit nervous, responded for the soldiers.

The program was patriotic throughout, beginning with the Star Spangled Banner and concluded by the audience singing There's a Long, Long Trail. The numbers were all of them so pleasing, it is almost impossible to select any single one for special comment. Miss Melvina Anderson's recitation, "Just Your Boy and Mine," the title speaks for itself, went straight to the heart. Everyone was thrilled with its appeal. Miss Anderson responded to the encore with a humorous stanza, for which she was almost compelled to appear a third time.

Then, of course, there was no end of good things to eat to which this happy gathering did complete justice.

About Rheumatism.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.—Adv.
