MELROSE AND VICTORY

Service appropriate to Memorial day will be held at Iliff church Sunday, June 1, at 3 o'clock by the pastor, Rev. Earl B. Cotton. The services have been unusually interesting for the past few Sundays. All invited.

Friends of Mrs. Lena Strebina were grieved by the news Sunday of the death of her mother, Mrs. Schlappé, at her home near Tillamook. Mrs. Schlappé, who has made a number of friends here while visiting her daughter, died from after effects of influenza which she had last winter. She has been a constant sufferer since that time.

Mr. and Mrs. I. T. Wood entertained at dinner Sunday Mr. and Mrs. Howard Hayden and son Raymond, Mrs. Alta Gentry and son Russell, Miss Edith Turner and Gurney Dunsen of Portland. The latter has just returned to this country after several months in the hospitals of France and England. He was severely wounded while serving with the Canadian army.

Geo. Hayden was severely injured last week while cutting cordwood. A piece of steel, five-eighths of an inch in length and about one quarter inch wide flew off striking him just above the eye and penetrating to a depth of 1 1/2 inches. Dr. Adix was unable to locate it in the first examination and had an X-ray taken which showed the steel almost back of the eye close to the bridge of the nose. As powerful magnets failed to draw it out it was decided it had lodged in the bone and if no infection developed to leave it. At present Mr. Hayden is feeling much better and indications are that he will carry the souvenir for some time.

Victory school closed a very successful term last Monday, May 26, with Miss Kathleen Sweeney as teacher. Two pupils, Walter Thompson and Ralph Wood, were graduated from the 8th grade.

Passed by the City Council of Fairview May 27, 1919.

Whereas, The city of Fairview having sustained in the death of Mrs. Margaret Matilda Dunbar, wife of D. S. Resolved that the Council of the city of Fairview deeply regret the passing on of their respected citizen, and hereby extend to the husband and family left behind, their deep sympathy in this sad hour and urge upon them the thought which should to an extent at least, assuage their grief "that their loss here below is but the gain of one more in the galaxy of angels above." Be it further

Cause of Headache.
By knowing the cause, a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these Tablets. They are easy to take and mild and gentle in effect.—Adv.
