## JUNIOR LEAGUE PICNIC IN WOODS NEAR HOGAN

Oh, no, that wasn't a moving van! It was K. A. Miller's Buick carrying, in one load, 19 Junior Leaguers and a few grownups. They were going to Hogan for a picnic. The first thing the boys did was to go swimming, Filipino fashion. Mrs. Shipley, Mrs. Risher, Mrs. Beagle and Mrs. Brown intended to take turns scolding them, but when the boys returned they looked so fresh and sweet that the chaperons relented. They had a wonderful time playing in the woods and lots of fun eating their lunch a la barbarian. The real fun, however, commenced when the boys began chasing the girls with squirming crawfish. All speed records were broken and, from the sound, it might have been an attack by some scalping Comanches.

## UNION MEETING IN INTEREST OF REFORM

A union meeting in the interest of social reform will be held at the Methodist Episcopal church next Sunday evening at 8 o'clock and will be participated in by the pastors of the Free Methodist, Baptist and Methodist Episcopal churches, besides C. P. Moffitt and C. E. Platts of the high school faculty and others. It is expected that the Allridge Brothers' quartet of Oregon City will assist with the music. Other services at the Methodist church on Sunday will be the Sunday school at 10 o'clock, when the 14 classes with live teachers will offer a welcome to everyone; the preaching service at 11, when the pastor, J. Montcalm Brown, will preach; and the Epworth League at 7 in the evening.

**Mrs. Fred Powell Greets Brother.**  
 Mrs. Fred Powell enjoyed a surprise visit on Tuesday from her brother, Corporal Harry K. Miller, who had just received his release from the service at Camp Lewis. At 3 o'clock in the afternoon Mrs. Powell received the message that her brother would arrive in Portland at 3:30. A hurried telephone message to the Red Cross canteen workers in the city and quick work on their part, and the young soldier was duly met at the train and directed to Gresham, where he was met by the Powells. Corporal Miller has gone to his home in Lebanon. He feels that he had tough luck, as he was stationed at Newport News, Virginia, for 16 months, without even the chance to go overseas.

**Birthday Party Enjoyed.**  
 Last Wednesday, June 25, was Jack Brown's birthday. About 20 young people from Gresham, Fairview, Portland and the Base Line drove over in their Fords, Hudsons, Chevrolets and Overlands to help celebrate. The evening was spent dancing in the parlor and on the deep porch.

**Chronic Constipation.**  
 Perhaps you have never thought of it, but this disorder is due to a lack of moisture in the residual matter of the food. If you will drink an abundance of water, eat raw fruits and take lots of outdoor exercise, you may be able eventually to overcome it entirely. In the meantime use the most mild and gentle laxatives. Strong and harsh cathartics take too much water out of the system and make a bad matter worse. Chamberlain's Tablets are easy and pleasant to take, and most agreeable in effect. Give them a trial.—Adv.

## GRESHAM LOCALS

Next Friday being the Fourth, the Outlook will be published the day before. All ads. and material for publication should reach the Outlook office early.

Mrs. W. E. Hutchison of Sand Point, Idaho gave Mrs. B. F. Walrad a surprise today by calling unexpectedly. The Hutchisons will soon be Oregonians, as the expect to locate in Portland.

Mrs. Mitchell is helping Mrs. G. B. Belt this week.

D. C. Ely and his sister, Mrs. E. R. Williams of Portland were in Gresham Wednesday. Mrs. Williams visited with Mrs. Kessler while Mr. Ely spent the day at his new building being erected on Main street.

Miss Julia Bock of Astoria is the guest of Mrs. Nora Withrow. She will and Cecil Metzger's sojourn along the coast, with headquarters at Alsea. They report good fishing.

Miss Ethel Calkins, industrial club leader, is at Corvallis helping to look after the little boys and girls who are there attending summer school. It will be remembered that this two-weeks' summer course at O. A. C. is awarded boys and girls whose exhibits ranked first at the state fair, last September. Two weeks of "college" with lots of fun thrown in is surely an ideal reward for work well done.

Grandma Sleret, who is spending the summer visiting with her children and grandchildren, is now at the home of her son, George, on Wallula Heights.

Rev. S. G. Roper, pastor of the Free Methodist church, left last night for St. Johns to attend a district meeting of his church. He expects to be away over Sunday. Rev. O. N. Blair, of Lents, will preach here Sunday in the pastor's absence.

Mr. and Mrs. Russell K. Akln have returned to Gresham and are making their home on E. C. Jones' Highland Farm. They have been in Pendleton for several months where Mr. Akln has been employed as an automobile salesman. He has been transferred to Portland where he is selling Acasoon trucks for the Northwest Auto company.

Mrs. M. L. Hardingham made brief calls on a few Gresham friends yesterday. Mrs. Hardingham will be remembered as the wife of a former Methodist pastor at Gresham and Fairview. She was struck with the development of this place since she left here about 14 years ago. The golden wedding of her parents at Beaverton called Mrs. Hardingham from her home at South Whitley, Indiana, where she is to return in a short time.

It is expected that all business houses will be closed on the Fourth. Mrs. L. T. Lusted fell out of a cherry tree yesterday, wrenching her ankle quite badly, as a consequence she spent a miserable night with her aching foot.

Guy Jones has returned from Riddle where he went to see his uncle, Archie Cornutt. He reports that Mr. Cornutt is gaining slowly and expects soon to be able to return to Gresham where he will locate permanently.

**Garden Club to Meet.**

The young gardeners comprising the Garden Club of the Gresham school will meet with their leader, Rev. E. A. Leonard, in the grove near the Baptist church this Friday afternoon at 3 o'clock, to give their reports and receive instructions from their leader.

Mr. Leonard reports that it has been difficult to conduct the club according to the rules laid down by the Industrial club leaders, due largely to a lack of understanding of the conditions by the parents of the members, many of whom do not appreciate the value of the work. Then, too, the work of keeping the weeds out and cultivating the growing plants becomes arduous in the summer days and interests flags.

In order to be a standard club member each boy or girl must work one-twentieth of an acre and must grow at least five kinds of vegetables. Some are doing fine work and are making records to be proud of.

**Ice Cream and Cake Contest.**

No, it isn't a contest to see who can eat the largest amount, but eating has a large place in the contest. This is the idea. The junior and intermediate classes of the Baptist Sunday school have chosen sides, each challenging the other to make the most money by the sale of ice cream and cake. The test will come on the afternoon and evening of Tuesday, July 1, when the "reds" will hold forth on Mrs. John Metzger's spacious lawn. At the same time the "blues" will occupy the beautiful grove near the church and serve to their friends. The public is expected to be the willing victim of the young people and help make the scheme a success. The proceeds will be for the benefit of the local Sunday school.

You will need a new hat for the Victory celebration. Get it at the Miss Millinery, Gresham. Attractive sale prices now on.
