D. M. ROBERTS, P. M.

The Soldier:—"I am positive it was only thinking of your love for me that pulled me through after that last wound."

The Lady:—"Yes, it is such a comfort to know I saved three poor fellows in that way."

President Belongs to Legion.

The badge of the American Legion has replaced on President Wilson's coat lapel the miniature American flag which formed so prominent a feature of the wartime pictures of the nation's chief executive.

It was left to the legion's chapter at Glendive, Mont., to bring the commander-in-chief of the American army and navy into the organization. It voted him a veteran of the war and extended him a full membership when his special train halted at Glendive for a few minutes. He accepted and secured a legion button which he has worn since on all occasions.

Diarrhoea in Children.

For diarrhoea in children one year old or older you will find nothing better than Chamberlain's Colic and Diarrhoea Remedy, followed by a dose of castor oil. It should be kept at hand and given as soon as the first unnatural looseness of the bowels appears.—Adv.

TROUTDALE

The Troutdale Ladies' Aid society gave a supper Saturday evening in the church basement, which was quite well attended, about \$25 being taken in, practically all clear. A joyous incident of the supper was L. A. Harlow's birthday party. Saturday was his birthday, and when he came to the supper, he invited all the children attending to be his guests, which invitation was heartily accepted, with the wish that his birthdays would come very often. After the supper the evening was spent in singing good old songs and playing games. Rev. Earl B. Cotton led the singing, and favored the company with a pleasing solo, accompanied by Mrs. L. A. Harlow.

The Troutdale Sunday school is picking up in attendance and interest, and it is hoped that many more will come and help and be helped by attending. At the election Sunday the officers were re-elected with the exception of the organist who has moved away. The officers are: Supt. George P. Lumsden; assistant superintendent, Mrs. Mary Parsons; secretary, Jack Harlow; treasurer, Mrs. C. I. Thomas; organist, Mrs. L. A. Harlow.

The Beaver Film company of Los Angeles is taking pictures for a story "North Bound," with the picturesque setting of the Sandy river and the adjacent cliffs. They are delighted with the possibilities of this locality for picture backgrounds.

The Troutdale Ladies' Aid will meet with Mrs. C. I. Thomas this week Wednesday afternoon, October 1st. All members and friends are cordially invited to attend.

Mrs. Ruth Brink returns this week from a ten day visit with her sister, Mrs. Walter Shirling, on the Shirling farm near Halsey.

Miss Alfreda Boger, from New York, is visiting with Mrs. N. P. Wallace.

Miss Evelyn Kendall, a Gresham High graduate, has gone to Seattle to attend the University of Washington.

Troutdale Parent-Teachers' organization will meet Friday, October 10.

POWELL VALLEY

The Parent-Teachers' meeting that should have been held last Saturday evening will be held next Saturday evening, October 4, at 8 o'clock. The nominating committee met last Friday and lined up the candidates for the coming election of officers. A program will be given and light refreshments served. S. B. Hall, county agricultural agent, will be the speaker for the evening.

State Game Warden's News Bulletin.

In an opinion given by Attorney General George M. Brown, to Mr. M. A. Biggs, district attorney for Harney county, the shooting season for ducks, geese and other migratory waterfowl has been definitely settled. Confusion has existed in the minds of many shooters on account of a difference in the federal and state seasons. The state cannot legislate within the closed season of the federal regulations, but it can legislate within the open season. The federal open season is three and one-half months, but the state, if it cares to, may close any portion of all of this federal open season. The shooting season, therefore, which must be observed by hunters throughout Oregon is as follows:

For Multnomah, Clatsop, Columbia and Tillamook counties, the open season begins on October 1st and closes December 31st. In all other counties of Game District No. 1, which comprises all that portion of Oregon lying west of the summit of the Cascade mountains, the season opens on October 15th and closes on January 15th. In all counties of Game District No. 2, which comprises all that portion of Oregon lying east of the summit of the Cascade mountains, the open season begins on October 1st and ends on December 31.

FATHER KIDNAPS SON WHILE AT SCHOOL

Last Tuesday, a man called at the Powell Valley school and asked to speak to Charlie Carrell, the 10-year old nephew of Mr. and Mrs. S. G. Carrell. As the boy did not return to the room within a reasonable length of time, the teacher stepped outside to see what detained him. To her surprise, she saw the man driving off with the boy. Word was sent to the Carrells immediately, through whom it was learned that the caller at the schoolhouse was the boy's father who had for some time tried to get possession of his son.

Mr. and Mrs. Carrell took the boy when he was a motherless infant only 10 days old. After caring for him all these years they feel toward him as if he were their very own. The boy's father, it appears, has not contributed to the support of the child, nor in other ways shared any responsibility in bringing up the child.

All fair minded people would say that the foster parents should have the boy, but since there were no legal papers drawn up, giving them that right, there is a chance for argument. The Carrells are seeking legal advice on the matter.

Wilson as a Speaker.

Mr. Wilson is a man of remarkable personal force. He is not an orator, but he has a genius for word phrasing, a directness of address and simplicity of manner which is exceedingly captivating and convincing. He does not appeal to passion or prejudice, he annihilates his opponents with cold logic. His discussions are judicious, dispassionate, clear and persuasive. Whether he makes friends for the league, or not, he leaves an exalted impression of his fairness and for a League of Nations.—Pacific Christian Advocate.

"So," sobbed Ima Vladoffovitchskloffsky, "Ivan Ninespotki died in battle. You say he uttered my name as he was dying?"

"Part of it," replied the returned soldier, "part of it."—Passing Show.

One thing Americans hold uppermost: They do not want war, or militarism or entanglement in European affairs. But certainly the old secret diplomacy has not freed us from any of these—an imperfect league can do no worse, and even the stoutest advocates do not claim perfection or finality—opportunity for amendments are provided for.—Pacific Christian Advocate.
