All young stock except one cow (10 years old) and she has a record of over 600 pounds butter.

My herd is in the U. S. accredited list and cows of my breeding have made larger records in other hands than they ever made on my farm, because all records made by me were under ordinary farm care on two milkings per day.

### PLEASANT VALLEY

A. C. Ball and Dan Cale have returned from a trip to Crater Lake. J. D. Lee, of Portland, was in the Valley during the fore part of the week looking after business interests. It is reported that A. G. Webber has sold his 20-acre farm for a consideration of \$10,500. Herman Uhlig has sold his two-acre tract at Sycamore station for \$3800 cash. Hunters report game birds to be very scarce.

### POWELL VALLEY

An attractive program is planned for the Parent-Teachers' meeting at the schoolhouse on Saturday evening. S. B. Hall, county agricultural agent, will be the speaker. Ladies will bring cake or cookies for the refreshments.

### Sunday School at Hill Church.

Sunday school will be held as usual at Hill church next Sunday. In the absence of Rev. Earl B. Cotton at conference the school will be in charge of Mrs. Alta Gentry.

### Sincere Gratitude.

### MISSIONARY DAY AT CELEBRATION

Continued from page 1

bring us into account. It is a world for Christ and He will be satisfied with nothing less.

There was an earnest plea for children. Too many women are devoting all their time to the intellectual development of their children and little or none to their religious education. The spirit of tithing should be inculcated. They should give one-tenth of their time and money to their church. To rebuild the world we have to use the children. Leaders of children must be found. The ideal time for training children for missionary service is in early childhood. The church has been working backward and not hard enough to get the children into the service of God.

No better way to interest children in missions is to see that the young child reads, or to have read to it, the children's missionary papers. A missionary can be born by being the recipient of a year's subscription to a missionary paper. It used to break my heart to think of children starving and children that hadn't heard of God.

Esther societies for older girls must be maintained. The next five years will be wonderful years in which we must all work more than ever we did in all our lives. Let's begin today. Buckle on the armor and see the salvation of our God. Catch the Centenary spirit of enthusiasm that is being shed around.

May God bless you in your efforts to save the dollars, which sometimes seems hard to do. Each one of you is a part of God's great plan to disciple in His Name.

### A Beautiful Woman.

Do you know that a beautiful woman always has a good digestion? If your digestion is faulty, eat lightly of meats, and take an occasional dose of Chamberlain's Tablets to strengthen your digestion. Price 25c.—Adv.
