**GRESHAM LOCALS**

V. H. Read and son Ross, of Portland, were callers at the Outlook yesterday. They were in Gresham looking after their farm on Gresham Heights. Ross has recently returned from France, where he served for nearly two years with the First Engineers. He was promoted to sergeant and received a distinguished service cross for gallantry in action. Miss Iris Gullikson, daughter of Mrs. Nellie Gullikson, was married on November 1 at St. Helens, Oregon to Harold Everts of Portland. The young people have returned from their honeymoon trip to British Columbia and were callers Sunday at the home of Mrs. Gullikson in Gresham. They will make their home in Portland.

Bobby Metzger was given a surprise on the occasion of his sixth birthday on November 5. When he came home from school the secret was out. Besides his sister Gwendolyn and himself there were present Roberta and Roger Kidder, Margaret and Woodrow Matthews, William and Margaret Ott, Catheryn Metzger and Roy Beadle. Games and refreshments, with a birthday cake, made a happy afternoon for the children.

Miss Minnie Palmquist, daughter of Mr. and Mrs. John Palmquist, was married in Los Angeles, California, on November 1 to Chas. Klingensmith of that place. The groom is a railroad engineer. The bride has been employed for the past two years at Hotel Portland.

The regular meeting of the choir of the Methodist Episcopal church will be held on Wednesday evening, under the direction of Prof. J. A. Finley. All singers who will take part in choir work will find this an unusual opportunity and are invited to attend.

Mr. and Mrs. V. H. Read, former Gresham residents, gave a party at their home in Portland on last Saturday evening, announcing the engagement of their son, Guy and Miss Edith Matthes. More than forty friends of the young people were present and a pleasant social evening was enjoyed.

H. Niblaek has leased the Matthews store next to Palmquist's harness shop and is putting in a billiard hall and lunch room. He expects to open on Thursday.

Mr. and Mrs. C. I. Raker were Sunday dinner guests at the Jay Bailey home in Troutdale. In the evening they were entertained at R. D. Bailey's.

The girls of the seventh and eighth grades of the Gresham school met at the library last Wednesday and decided upon the name, Grad-atum, for their club. The winning playshd poster has been put up in the library.

The regular business meeting of the Women's Christian Temperance Union will be held at the library on Thursday afternoon at 2:30. A good attendance is anticipated.

T. R. Howitt, who is ill at his home with small pox, is doing well and will soon be entirely recovered, it is believed. His son, Frederick, is recovering from an attack of chicken pox at the home of the boy's grandmother, Mrs. Ben Raney.

The regular meeting of the Women's Home Missionary society will be held at the home of Mrs. D. E. Towle tomorrow afternoon. The program calendars for the year have been received and it is hoped that all members and friends of the society will come prepared to take them. The price is nominal. Speakers from the settlement center will be present.

CARS OR TRUCKS

The sale on this car is big, but we have a supply on hand and can get more.

The Chevrolet worm drive one-ton truck is the ideal handy vehicle for the small or large farmer, or business man. Why worry and fuss with horses, which eat their heads off when not being used, and are a source of labor and expense when standing in the stable or doing hauling?

As soon as you drive home from the market, put your Chevrolet truck in the garage and kill the motor, the expense and work cease until the next time it's used. Let us demonstrate this car or the truck to you.

**WHY THE ELECTRIC CLEANER?**

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
