WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.
 True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.
 In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."
 But people use soap because it cleans more easily and better than water alone.
 For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.

BORING

At the Boring depot last Wednesday noon was standing a big square-shouldered giant hanging on to two the side of the cases was printed "J. Anderson." From his smiling countenance, baggage and far-away look it is to be inferred that the rumor is true that he is going to San Francisco to make definite settlement with Dan Cupid who fired a fatal arrow at Joe when he was a marine on Mare Island.
 Matt Anderson, Sr., who has been staying with his daughter's family, the H. M. Johnsons, returned to Garfield this week.

The annual Rebekah bazaar will be held Saturday evening, Dec. 6. Mr. and Mrs. W. J. Reeves, who have been renting the Guy White place moved to Portland this week. They intend to go ranching again in the spring, if the right location can be found. Many prospective buyers are looking the White place over.
 Union Dist. 26, Rock Creek and Damascus are talking grade school consolidation. What do you think about it? What do you know for it or against it?

The Country Culture club, that was hung up in the attic when Red Cross and other war needs required all spare time, is about to be set on its legs once more. Yesterday Mrs. S. S. Dallas took it off the peg, shook the cobwebs off and gave it a good brushing. After it began to look somewhat like its former self, the ladies of the Culture club were invited to come over for the afternoon — and rejoice. Being somewhat sleepy from its long rest, it did not draw out a large crowd, but those who attended have it thoroughly aroused for the next meeting which will be held at Mrs. Roy White's, Thursday, November 27. The ladies report that Mrs. Dallas served the most delicious coffee and appetizing egg sandwiches and cake.
 The church near Union school is getting all sorts of fine treatment. New windows and doors are being set in, the belfry fixed and new wall paper will make the interior very pleasant.

 Fourteen members of Troutdale Chapter, order of Eastern Star, spent last Wednesday afternoon with Mrs. Leslie St. Clair, who has recently returned to her home here from Portland. A most pleasant afternoon was spent, at the close of which refreshments, provided by the visitors, were served.
