"The Linotype Way is the Way that Wins."

Official paper of the Town of Gresham
Official paper of the Town of Fairview.

Entered as second-class matter March 3, 1911, at the Postoffice at Gresham, Oregon, under the Act of March 3, 1879.

Oregon Legion has 9002 paid members.—Pacific Legion.
The Hood River apple pack is estimated to be worth \$5,000,000.
If never striking on their job is any sign, farmers are most patriotic of all classes.

The United States crop is placed at 144,000,000 bushels, as compared with 173,632,000 bushels in 1918.

The Eugene Fruit Growers association sell carloads of apple pulp, formerly considered of no value, to a Missouri concern at \$60 per ton.

The radicals can call strikes and tie up business, but on a showdown it is industry and payrolls that fill the dinner basket.

This Has a Moral.
When the rich man brought his son for entrance to an agricultural college, he told the president he wished a short course.
"The boy can never learn all you teach here," said the father. "Can you arrange it for him so he'll go through quick?"
"Oh, yes," said the president; "he can take a short course. It all depends upon what you want to make of him. When God wants to make an oak, he takes a hundred years, but he takes only two months to make a squash."

Liberty Bonds Wanted.
We will purchase at the market price all issues of Liberty Bonds.

No Cure For the "Flu"

Altho this dreaded Disease ravaged the Country last year yet a cure has really not been found for it, and Medical Authorities say another Epidemic will occur.

We urge everybody, the minute you feel a cold coming on, have fever or chills, dull aches or constipation, to take a **THORO, CLEANSING, PURIFYING LAXATIVE.**

Bathe your feet in hot salt water, take a good big cup of **HOLLISTER'S ROCKY MOUNTAIN TEA** (warm), and go to bed for the night—chances are you will feel fine the next morning and it won't be so easy for the "Flu" or Grippe to get you.

Buy a package today, have it in the House and use it at the very first warning. Mothers should closely watch the children and treat them without delay. Powell's Pharmacy.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
