

STORES SELLING ARTICLES WARNED TO COLLECT TAX

Collector of Internal Revenue, Milton A. Miller, calls attention to the fact that cough drops, vaseline, tooth powders and pastes, and proprietary medicines sold by grocery stores and general stores, as well as drug stores, are subject to tax at the rate of 1 cent for each 25 cents or fraction thereof of the price which sold.

This tax is to be collected from the purchaser and is payable by means of proprietary stamps which are to be attached to the article and dated and cancelled by the dealer.

A 1 cent stamp is required on each 5 cent package of cough drops, and on each bottle of vaseline, tooth powder, and all proprietary and patent medicines, and toilet preparations selling up to 25c. Articles selling

Where two or more of these articles are sold to one person they may be wrapped in one package and a stamp denoting the payment of tax upon the amount of the purchase may be attached to the package. Thus, if a person buys five 5-cent packages of cough drops they may be wrapped in one package and a 1 cent stamp affixed to the package.

Stamps may be obtained from the office of the Collector of Internal Revenue at Portland, and from many of the postoffices throughout the state of Oregon.

Dealers who fail to stamp these goods will be held accountable for the tax and Collector Miller urges all dealers to inform themselves fully as to the requirements of the law.

ANOTHER SCALP FOR UNION HIGH

Another scalp was added Friday when Forest Grove was taken into camp by the U. H. S. football team. The game was the hardest one of the season and the victory was as welcome as a Christmas present. The usual bitter draught was in the cup of victory as both Peak and Skirvin are out of the game this Wednesday on account of injuries. They will both be in the game with Estacada which may be played at some early date in December if arrangements can be made.

The score on Friday was Union High 14, Forest Grove 9.

Gresham received the kick off on her 25-yard line and started for Forest Grove's goal. Three plunges by Strong, Peak and Skirvin made yardage and Strong broke through for 25 yards, but at this point a fumble gave Forest Grove the ball on their 25-yard line.

Forest Grove opened up with forward passes and end runs and in a short time worked the ball to Gresham's one yard line, where a trick end run put the ball over. The goal was missed. Score, Forest Grove 6; Gresham, 0.

Forest Grove kicked off, the ball going over the goal line and Gresham began play on the 20-yard line and began again a steady march down the field through the line. Yardage was made twice before the end of the quarter.

Beginning the second quarter Burlingame took Skirvin's place at left half and Ted Johnson took Burlingame's place at tackle. Peak punted and Forest Grove fumbled the punt, Gresham recovering.

Gresham again made yardage through the line but a pass across the line went into the enemy's hands for a touchback.

Forest Grove put the ball in play on the 20-yard line, but could not make yardage and punted.

Burlingame and Peak made yardage in three plays through the line and, aided by Strong, were on the point of doing so again when a fumble gave Forest Grove the ball.

Forest Grove punted to Gresham's 35-yard line and Gresham started again down the field, making yardage twice before the whistle blew for the end of the half.

Gresham came on the field in the second half, determined to retrieve the score. Forest Grove fumbled the kick off and T. Johnson by a quick and clever play recovered the ball above the head of a Forest Grove player.

This break, together with Gresham's irresistible line plunging gave the home team its first touchdown. Peak kicked goal. Score, Forest Grove 6; Gresham, 7.

Forest Grove opened again with forward passes after receiving the kick off and worked the ball to Gresham's 20-yard line where an attempted field goal was blocked. This ended the third quarter.

In the last quarter Gresham started again an irresistible march, Peak, Strong and Burlingame making yardage on two or three downs. Peak broke through at one time for 15 yards. The march was halted close under the goal posts however, and Forest Grove punted, Peak coming back to the 20-yard line. From this point with the aid of a penalty, three downs put the ball over for Gresham's second touchdown. Peak kicked goal. Score, Forest Grove 6; Gresham 14.

Peak kicked off to Forest Grove's 10-yard line.

A forward pass went for 10 yards, but an incomplete pass and a fumble forced Forest Grove to punt and Peak who had been injured only ran the ball down and fell on it, on Gresham's 10-yard line.

Peak's punt was run back by good interference to the 20-yard line from which point Forest Grove kicked a field goal just as the final whistle blew. Score, Forest Grove 9; Gresham 14.

The game was hard and fast, characterized by excellent passing and open field work on the part of Forest Grove and irresistible line playing by Gresham.

Peak, Strong and Burlingame, aided by a heavy and well-trained line, were able to gain two to five yards almost at will through the line, and several plays went for 10 and 16 yards. "Ted" Johnson showed up to a good advantage, this being his first game with the team this season.

A game is scheduled with Canby High for Wednesday at 3 o'clock home grounds.

Back the boys for another victory. Lineup—Brugger l. e., Gran l. t., Welling l. e., Miller c., Wright r. c., Burlingame, Johnson, r. t., Camp r. e., Peak q., Johnston r. h., Strong f., Skirvin, Burlingame l. h.

Being told by one of the merchants that it was only three quarters of a mile to the Rockwood road, they decided to walk, and are now trying to figure out just how long a mile is in this part of Oregon.

A heated discussion between two Gresham men over the peace treaty the other night resulted unfortunately for the men if not for the treaty. Words being inadequate to enforce the opposing claims it is alleged they resorted to the use of their fists. The result is a charge of assault and battery by the state of Oregon against Richard Jennings to be tried in the justice court next Monday, December 1, with D. C. Ross as complaining witness.

20 VIOLATORS FINED IN JUSTICE COURT

Justice Brown's court in Gresham during the past few days has been about the busiest place in this end of the county, and in the matter of arrests and fines a close second to the Portland municipal court.

Acting on instructions from Governor Olcott, through the sheriff's office, Constable Squire last Friday night began a campaign of law enforcement against violators of the motor vehicle law and the first night rounded up about ten delinquents. These were promptly fined \$5 each. The chief complaint was that they were driving on a county road at night without a tail light.

On Saturday and Monday nights others were reminded of their neglect and the list now counts up twenty or more. Among these are garagemen and automobile dealers in Gresham and prominent citizens throughout the county. Several were from Portland, one from Estacada, one from Sandy, one each from Fairview and Troutdale, one from Leita and one from Parkwood.

Two there were, one a Jap, who disregarded the command of the constable and failed to appear before the justice until commanded by a bench warrant. These paid extra fines and costs amounting to \$4.95 in each case.

C. J. Anderson, driver of the automobile in which Gustave Johnson was riding at the time of his death by accident at East 32d street and Powell Valley road on November 21, has been bound over to the grand jury as the result of the findings of the coroner's jury. Anderson is charged with manslaughter and reckless driving. Anderson was arrested immediately after the accident and was held for investigation until Saturday night when he was formally charged with manslaughter. Johnson was thrown out of the car head first into a telephone post and instantly killed, said testimony.

When covering jellies or jams with melted paraffin, turn the glass so the paraffin will run up the sides of the tumbler a little way. Otherwise, as it hardens, it may draw away from the sides and leave the jelly exposed.
