

# HERE'S A SPECIAL BARGAIN

An Eastern concern went into bankruptcy three years ago and among their stock were thousands of kitchen sets, that had been manufactured long before the war. They were sold at 40c on the dollar at the old price. Through a broker we were able to obtain a few of these sets that we will sell at a price cheaper than what the handles would cost at present. This set is of the best quality and workmanship of the American Cutlery Company, and we guarantee them to be of the best material on the market.

The Set is composed of six pieces: one Cleaver, one Paring Knife, one Steak or Bread Knife, one Butcher Knife and one Aluminum Whetstone.

With Every \$1 Purchase we will sell this 6-piece set for \$1.50, 1 day only

The case of the state against Richard Jennings, charged with assault and battery against D. C. Ross, was tried before Justice Brown yesterday by a jury of local men who returned a verdict acquitting the defendant. The district attorney's office was represented by Miss Lydia O'Brian and the defendant by Attorney C. G. Schneider. The jury was composed of E. W. Aylsworth, J. G. Chiodo, Ed. Metzger, George Leslie, W. W. Northway and Jas. Elkington.

Dr. Youngson is a gifted speaker who will attract a large audience. He is superintendent of the Portland district of the Methodist Episcopal church and is high in Masonic circles. A helpful meeting of the Queen Esther circle was held last night at the home of the president, Miss Vivian Hevel, when some matters of business were attended to and when Miss May Bliss, a national organizer, spoke to the girls. Miss Bliss came expecting to organize a new circle and was much surprised to find one a week old, all officered and working enthusiastically. The girls have already planned to gather a Christmas box of food, fruit and clothing for the Portland Settlement Center and have voted to maintain a scholarship in the kindergarten of that institution.

The debate at the high school in connection with the Thanksgiving program on the subject, "Resolved that the League of Nations is the best method of controlling World Affairs," was decided two to one in favor of the affirmative. The judges were Rev. R. E. Myers, Attorney C. G. Schneider and Miss Ruth Montague. Edward Strong, Gertrude Dowsett and Ruth Hartley spoke for the affirmative while C. Burlingame, Ernest Brugger and Emmett Welling argued for the negative.

A Christmas pageant, "White Gifts for the King," is being planned by a committee from the Methodist Episcopal Sunday school, of which Mrs. C. E. Rusher is chairman. The pageant is beautiful and impressive and out of the ordinary. Elaborate preparations are being made to make it one of the best Christmas programs ever given here.
