"The Linotype Way is the Way that Wins."

Entered as second-class matter March 2, 1911, at the Postoffice at Gresham, Oregon, under the Act of March 2, 1879.

A CALL FOR VOLUNTEERS.

If the wires should flash the news that the Germans had secretly massed forces, attacked our army of occupation, mercilessly slaughtered fifteen thousand of our boys, wounded and maimed fifty thousand more, and stolen and destroyed two hundred and fifty millions of dollars' worth of our foodstuff, guns and other property, how many of us would not rise up in righteous indignation and shoulder a gun to avenge the wrong? Not one red-blooded American would falter. Do you know the fire demon is a more cruel and unrelenting enemy than the Hun and that is the toll exacted from our helpless people, not once in a life time but every three hundred and sixty-five days. Will you help drive this public enemy from our midst? Will you help curb this unnecessary destruction of our life and property? With your assistance in a concerted effort it can be done. Enlist now in the Fire Prevention Army and commence the fight right where you are.

Definite announcement that the government will continue the sale of Thrift and Savings Stamps and Treasury Savings Certificates during 1920 has been received from the Treasury Department by C. A. Farnsworth, Associate Director of the War Loan Organization of the Twelfth Reserve District. "I know that this will be pleasing, not only to hundreds of able Americans, who, recognizing the value of the government's thrift work, have given of their time and ability in furthering it," said Farnsworth, "but it will be equally as well received by those who have taken advantage of the exceptional opportunity of saving offered by the government through the Thrift and War Savings Stamp and Treasury Savings Certificate. To the educators of the west, too, who have adopted the government's thrift program in the schools as a valuable factor in habit forming education, I am sure that this guarantee of the permanency of the War Savings movement will be gratifying."

Methodist Church Enters Ypres

A great Methodist church, erected and maintained by the Methodist Episcopal church, South, will be erected amid the ruins of Ypres, in Belgium. This was stated today by Dr. W. B. Beauchamp, director-general of the Centenary Commission, who, with Bishop James Atkins, the bishop in charge of European mission fields, just returned from Belgium.

The city of Ypres, terribly devastated, will not be rebuilt in its entirety. The once magnificent Cloth Hall, the finest in the world, the Cathedral, the town hall, the churches, and other large ruins will be left as a perpetual memorial.

On these the city mayor has caused signs to be erected, reading: "This is holy ground. No stone of this fabric may be taken away. It is a heritage for all civilized peoples."

Ypres is a city of memorials. The British government has selected a site and will erect a great museum as a monument to her fallen heroes.

Similar buildings will be built by Canada, New Zealand, Australia and Belgium.

In the midst of these memorials the Southern Methodist church will be erected. It will contain a library, reading room and social equipment, class rooms.

"Ypres will always be a mecca for travelers," said Doctor Beauchamp. "Thousands and millions will flock to that battlefield. Our Church will not only administer to the people of Ypres and the surrounding territory, but it will also serve these visitors."

The Methodists have also purchased a great building in Brussels, which will be their headquarters for Europe.

It will contain offices, an auditorium, reading and lecture rooms, a publishing plant and social equipment.

The general secretaries of the two Protestant bodies of Belgium, the state church and the free church, will have offices in this building, thus making it the Protestant center of Belgium.

Southern Methodists have also purchased a half interest in the Protestant hospital of Brussels. It will be enlarged and its capacity will be doubled.

Dr. Beauchamp reported that thousands of children will freeze to death this winter, because the Germans flooded the mines and filled them with concrete, thus making it impossible for the people to obtain fuel.

"Children, with their mothers," said Dr. Beauchamp, "are now living in the abandoned trenches and dugouts left by the enemy."

In order to cope with the situation the Methodists have arranged to open relief stations at Ypres, St. Quentin, Montdidier, Belgrade, and other points.

A full contingent of physicians, nurses, directors, and social workers, will be sent abroad as soon as they can be found.

The Church has a fund of \$5,000,000 for European construction work. This will be spent in Serbia, France, Belgium, Poland and Bohemia.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.

ELECTRIC STORE ELECTRIC BUILDING

"Buy Your Electric Goods at an Electric Store."

Founded on J. M. Barrie's famous play "The Admirable Crichton," Adapted for the screen by Jeanie Macpherson

CECIL B. De MILLE has produced a considerable number of the biggest motion picture successes in the history of the screen. If you saw his productions, "Don't Change Your Husband," "For Better, For Worse," and "Old Wives for New," you cannot forget them; every one a great human drama, every one a great Paramount Artercraft Picture.

Are You Seeing Paramount Artercraft Pictures?

America's finest motion picture theatres, big and small, are showing Paramount Artercraft Pictures, week in, week out. Here are some of the recent productions. Make sure your theatre shows them: Marguerite Clark in "Widow by Proxy," Elsie Ferguson in "The Witness for the Defense," Wallace Reid in "The Valley of the Giants"; George Loane Tucker's Production—"The Miracle Man." Also, the Thomas H. Ince Productions: Enid Bennett in "Stepping Out" and Charles Ray in "The Egg Crate Wallop"; the Paramount-Artercraft Comedies, the Paramount-Mack Sennett Comedies, and the Paramount-Burton Holmes Travel Pictures.
