Signs of Coming Bad Luck Given

A crack in your chimney is a sure sign that you are going to move. If you dream of smelling smoke, it is a sign you are asleep and had better wake up.

Tacoma "Y" Promotes Americanization Campaign.

"Help them to speak American, to think American and to be American," is the slogan of the Americanization campaign which the Tacoma Y. M. C. A. is conducting among the industrial workers of that city.

Believing that much of the Bolshevik disturbance has been due to the fact that many foreign workmen, ignorant of the language and unfamiliar with the institutions and principles of government of this country have been easily influenced by professional agitators, the Industrial department of the Y. M. C. A. has determined to remedy this condition.

The Y. M. C. A. has set aside the week beginning January 17 as Thrift Week and throughout the world wherever Y. M. C. A.s are found there will be an active campaign carried on to bring home to young men and boys the advantages of forming the habit of saving.

Extra care should be exercised in the use of Christmas candles this year. Hardly a Christmas passes but in some home, joy is turned to sorrow and regret.

A committee of men qualified to give sound advice on economic questions is being organized to co-operate with the Y. M. C. A. in its National Thrift Week campaign to be launched next January.

To fall with the rich speeder or the poor speeder. The man who jeopardizes life by reckless driving should be placed where he can't hurt anybody but his selfish self.—Oregon Voter.

The accident grist keeps up at an almost uniform rate—about 500 industrial accidents a week, or 25,000 a year, in the state of Oregon.—Oregon Voter.

WOMEN WAR WORKERS ARE EAGER TO SERVE

Dissatisfied with uneventful civilian life, after two years' vivid experience as workers abroad in the world war, a party of young women, led by Miss Mary Vail Andrees, of New York City, have just gone to the Near East.

MISS MARY VAIL ANDREES, Distinguished Service Heroine Who Now Goes to Near East.

where nearly a million people are suffering from disease and starvation. Miss Andrees had returned to this country after serving for the Red Cross, but when she read of the sad plight of the Armenians, she at once offered her services to Near East Relief, the former American Committee on Armenian and Syrian Relief, which already has saved thousands of lives in Western Asia.

Among the other members of the group are the Misses Frances and Betty Anderson of New Canaan, Conn., who were decorated with the Croix de Guerre by the French Government; Miss Margaret Milne of Washington, D. C., who was a member of the Hoover Relief Commission for Armenia, and Miss Alex Sidney, an English woman who served for three years with the British Relief Commission in Serbia.

Col. William N. Haskell, commissioner to the Near East for the Paris Peace Commission and official representative of the Near East Relief, has cabled that the relief workers now in the field are overwhelmed by the magnitude of their task. Col. Haskell says 800,000 Armenians will starve before the next harvest unless they are given aid and 120,000 orphan children face death from hunger and exposure. Thousands of refugees are daily being brought to the relief centers from the deserts.

FIRST LIBERTY LOAN BONDS CALLED FOR

More than \$41,000 worth of First Liberty Loans Bonds, with accrued interest amounting to nearly \$3,600 is going begging for rightful owners in the Federal Reserve Bank of San Francisco. The bank has had the Bonds for over two years, and is anxious that their owners, who were given Interim Certificates in lieu of the bonds during the first loan, surrender the Certificates at once in exchange for the bonds.

At the time of the First Liberty Loan the actual bonds were not ready for distribution, and Interim Certificates were issued. These, however, bear no interest, so that persons throughout the Twelfth Federal Reserve district who are holding Interim Certificates should communicate with the Federal Reserve Bank in order that the exchange can be made at once and the interest accrued on the bonds paid. If a subscriber has lost the Certificate, the Federal Reserve Bank should be notified, and, upon request, procedure to be followed in presenting claim for relief will be furnished.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.

DINNER PARTY GIVEN IN HONOR OF NEWLY WEDS

Mrs. Glen Davidson, assisted by her sister Miss Esther Peterson, was the hostess Friday evening, at a charming dinner party given in honor of her brother and his bride, Mr. and Mrs. Clifton Peterson, and Mr. and Mrs. Virgil L. McFarland.

The Davidson home was charming in its holiday decorations of Christmas bells and holiday colors. A most delightful evening was spent by those present.

Mr. and Mrs. McFarland left Sunday for North Dakota where they will make their home.

Building Up Home Institutions.

All institutions, business included, would show an added impetus if everyone would become imbued with the spirit and purpose of Rev. R. Eugene Myers, pastor of the Methodist church. He says that building up Gresham is to the interest of every citizen.

"Who pays for the improvement of the town?" he asks.

"Is it not the people who live here? Money spent in Portland or elsewhere does not advance this community. How about the church? Does not the churches in Gresham deserve your support?"

Notice

FIRE MARSHALS FINISH TOUR OF INSPECTION

The deputy state fire marshals who inspected the town of Gresham last week reported that they found their work rendered easy for them by the cooperation given them by all the officials. They said that conditions in Gresham were perhaps a little above the average small town but there is much room for improvement.

Mr. Sykes urged the importance of the parents cooperating in the filling out of the home questionnaires as a helpful feature in keeping tabs on the fire situation.

A complete report of the finding and recommendation of the fire marshals will be returned shortly after the first of January.
