**WHY THE ELECTRIC CLEANER?**

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.

**ROCKWOOD**

Rockwood grange installed its officers for the year at the regular meeting last Saturday and also took in three three new members. T. J. Krueder of Lents grange was the installing officer. He was assisted by Mrs. Krueder. The occasion was marked by the presence of several visitors, nine being present from Lents and three from Gresham. The grange is planning to give a valentine bazaar on the evening of February 14. An interesting program is being prepared and a good time is assured. The entertainment is open to the public and all are invited.

A sewing club has been organized in connection with Rockwood school and Mrs. Ida Burgess has been chosen as leader. Miss Ethel Calkins, county club leader, met with the club on Tuesday to help them get started right. Two boys have joined the club, which will be called "The Stitch It Club." The young people and their leader will work to make this a 100 per cent club.

Mrs. Mary Richmond and Mrs. Ida Burgess of the Rockwood grange visited the Clackamas County Pomona grange at Milwaukie and report a splendid time. State Master Spence was at the meeting and gave an instructive talk on the Co-operative store. He reported the successful operation of one such store on the Third street in Portland under the management of Mr. Hays, and urged all grangers to boost for it. A. G. Clark was at Pomona with his made-in-Oregon exhibit, samples of which were distributed among the grangers.

Much activity in real estate is shown in this district. Scarcely a day passes that does not bring people from Portland who are interested in home sites in this locality. Several sales are reported to have been made and more are pending.

Mr. and Mrs. P. Burgess entertained at dinner on Sunday W. W. Wood, Sr., W. W. Wood, Jr., Ward Richmond, Mr. and Mrs. Herbert Lee and children, all of Portland.

The members of the Rockwood Methodist Sunday school were entertained Friday night at a social given by the teachers and officers of the organization. Games were enjoyed and refreshments served. The church has started a Wednesday evening Bible study course, under the direction of Rev. R. Hild. Members of the community are invited to this study each Wednesday at 7:30 p. m.

Last Sunday seven children of the Troutdale Sunday school were presented with Bibles as a reward for faithful attendance. In the preaching service in the evening Rev. Earl B. Cotton, the minister, made a ceremonial of it by asking the children to come up front with their Bibles and read the scripture lesson from them and selecting a hymn which they found therein, and singing a favorite Sunday school song in honor of the occasion. Those who received the books were Clella Crawford, Helen Leudan, Faye Parsons, Elizabeth Thomas, Gussie Helming, Harold Lumsden and Homer Lumsden.

Last Sunday was a beautiful day and Russel Clark of Clarkhurst took advantage of the fine weather to have an aviation party with his new Curtiss biplane. Both morning and afternoon flights were made by aviator Lieutenant Leas, carrying a passenger each time. A large crowd was on hand to get a close-up view of the machine and to witness the flights, which were made from the field of Multnomah Farm, across the road from John Coon's residence. Those with the courage and daring to go up were Mr. and Mrs. Vanton, Mr. and Mrs. Hoben and Miss Miriam Norman all of Portland, M. Bertus and Mr. Clark himself. Mr. Clark expects to use the machine in looking after his interests in The Dalles and eastern Oregon.

Herbert Hoover says "The time has come when the United States must cease to deal out charity to Europe." "The world needs to get away from the notion of governmental help, both internally and externally, and to get back to work and business." This is right.

**LOCAL MUSIC TEACHER  
HIGHLY COMMENDED**

The rendition of Handel's "Messiah" in Portland last Sunday evening by the choir of St. David's church was said to have been one of the best ever given in Portland by those who had the privilege of hearing it. People competent to judge from having much experience in oratorios in England, the cradle of the oratorio, state that the work done by the St. David choir on Sunday evening reflected great credit on them as a choir and on their choir master, Mr. Tom G. Taylor. Mr. Taylor is instructor in vocal and instrumental music in the Union High school.

- "I believe that her stability and progress rest upon the industry and thrift of her people.
- "Therefore, I will work hard and live simply.
- "I will spend less than I earn.
- "I will use my earnings with care.
- "I will save consistently.
- "I will invest thoughtfully.
- "To increase the financial strength of my country and myself I will buy government securities.
- "I will hold above barter the obligations my country thus incurs.
