

Now Good For Many More Miles

With the Miller Ad-On-a-Tires Your Old Tires Are Made Almost As Good As New

When you put Miller Ad-On-A-Tires on your worn tires you are virtually rebuilding them. It makes them oversize as well as more puncture-proof.

For Miller Ad-On-A-Tires are more than simply a tread. They are really a tire itself without the beads. They are built of tough, buoyant rubber with several layers of fabric, a breaker strip, and side wall which completely covers the tire and clinches under the rim. Each has the famous Miller Geared-to-the-Road or rib tread.

They are put on by a special method. This makes the Miller Ad-On-A-Tire an integral part of the tire. It fits snugly and cannot creep.

Bring in your worn tires. Let us show you how the Miller Ad-On-A-Tire enables you to get 75 per cent more mileage. For a very small fraction of the original cost of your tires they can be made almost as good as new.

It makes no difference what size they are. Or what make. The Miller Ad-On-A-Tire fits them all. So bring your tires to us and let us show you how to get miles and miles of additional service.

PLEASANT HOME

Mrs. P. B. Lake was the guest at a birthday dinner given at the home of Mr. and Mrs. Martin Lennartz in honor of the birthdays of Mrs. Lake and Miss Anna Lennartz. A very pleasant evening was spent.

Mrs. Alfa Bell is visiting in Portland this week.

A meeting of the local dairymen's league will be held at Orient school-house in the eight grade room, next Monday evening. This is an important meeting and a full attendance is desired.

Rev. Robert Kay, the new pastor, will preach at the Baptist church next Sunday evening at 8 o'clock. Christian Endeavor will meet at 7:30 p. m. Sunday school at 10 a. m. Rev. Mr. Kay and family expect to move to Pleasant Home next week. They expect to occupy the house recently vacated by A. G. Rich and family.

Mrs. D. D. Jack has been ill with the grip. She is much improved. Her sister Mrs. Killen of Woodburn, who is visiting her, is caring for her.

Mrs. Mary Johnson, who has been visiting at the home of her parents, Mr. and Mrs. N. H. Blackford, left Thursday morning for her home in Portland.

W. A. Miller has sold his 20-acre farm in Pleasant Home to A. Anderson of Orient.

Miss Ruth Young, county health nurse, will visit the Orient school this afternoon, March 5.

The special meetings which were postponed on account of the grip epidemic will commence Sunday morning, March 7, at the Methodist church. The topic of the morning sermon will be "The Bible and How It Was Made." This is the first of four sermons on "Helps to Grace" which will be given by the pastor, Rev. Earl B. Cotton. Services will continue throughout the week. Rev. R. E. Myers, pastor of the M. E. church at Gresham, will speak at the evening meetings from Monday to Friday evening inclusive.

The topics for the first week will be a series of sermons on "The Personality and Work of the Holy Spirit." Rev. Myers has given several years study to this subject which is of so much importance and about which so little is said. This was said to be one of the most helpful series of sermons given at the recent meetings in Gresham. Be sure to hear the first discourse next Monday evening, March 8, at 8 o'clock.

Sunday school will meet at the usual hour next Sunday morning with classes for all. Mrs. E. E. VanFleet's class of Juniors pulled off a surprise last Sunday morning when they captured the attendance banner which has been held by the Sunshine club for the past two months. Since the collection banner also returned to its old position over the Upstreamer's class, the wall over the Sunshine club's class looks rather bare and lonely. Depend upon the "Sunbeams" to win their honors back again.

A basket social will be given at the grange hall Saturday evening. It is planned to have cake and coffee on sale for those who do not bring baskets. A good time is expected by all.

POWELL VALLEY

Confirmation services will be held at the Lutheran church next Sunday morning, March 7. The members of the class are: Hilma Johnson, Dora Staffenson, Lillie Nelson, Etta Anderson, and John Staffenson. Communion services will be held in the evening at which time two new members will be admitted to the church.

Rev. J. Truedson spent Tuesday and Wednesday in Portland attending a mission meeting at the Swedish Augustana church.

Pupils on the roll of honor in Principal Geo. W. Metzger's room in the Powell Valley school for the month of February were: Violet Carrell, Edith Taylor, Clarence Magnuson, Guernsey Wood, Leonard Nelson and Chester Christensen. Those pupils making the highest general averages in their respective grades were:

eight grade, Etta Anderson; seventh grade, Archie Peterson; sixth grade, Elvera Salquist; fifth grade, Philip Wright. Best in reading (eight grade) Clarence Magnuson; seventh grade, Martha Danielson; sixth grade, Sarah Metzger; fifth grade, Helen Larson. Best written composition, Clarence Magnuson.

PLEASANT VALLEY

Mrs. Geo. Robinson, of Portland, visited for a few days this week at the home of her daughter, Mrs. Will Riehey.

Mr. and Mrs. Wm. Smith were enjoining on friends in Lent's Monday. Miss Edith Craft, of Forest Grove, spent Sunday visiting at the home of Mr. and Mrs. W. U. Moore. Miss Craft is a former schoolmate and friend of Miss Laura Moore.

H. E. Poppleton is on the sick list this week.

The Rev. Chas. W. Hayes will preach at the Pleasant Valley church at 10 o'clock Sunday morning.

Albert Field, of Bellrose, was in the Valley on business Tuesday.

Grandma Sager, of Lent's, is visiting with relatives herabouts this week.

Mr. and Mrs. J. L. Johnson, of Bellrose, were given a surprise last Wednesday evening when a number of Pleasant Valley grangers dropped in on them to spend the evening and wish them Godspeed on their trip to Denver where they expect to make their future home. Refreshments were served and an all round social time was thoroughly enjoyed by those present. Mr. and Mrs. Johnson are members of Pleasant Valley grange and their presence and influence will be sadly missed in the grange work.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
