have also been numerous. Many of these men were technical specialists in branches of agriculture, whom the state can ill afford to lose, as new men cannot learn the state in a year

## LOCAL DOINGS BRIEFLY TOLD

The lecture at the library tonight will begin at 7:45 instead of 8 o'clock on account of the lecture at the schoolhouse. The date was inadvertently set for the same night selected by Mr. Alderson; but as Mr. Weisendanger could be procured at no other time the lecture will be given as scheduled. Those wishing to leave before the end of Mr. Weisendanger's lecture may feel at liberty to do so if they wish to hear Mr. Alderson who will speak after the other numbers at the schoolhouse.

The debating team of Union High went down to defeat in the contest with Knappa High last Friday night. The latter team had already defeated Astoria and will now be one of the teams to try for the state honors at Eugene. The Misses Ruth Hartley and Violet Coe were accompanied to Knappa by Miss Wyeth and Mr. Webb of the high school faculty, who had coached them. Our girls are reported to have done good work on the debate and to have taken their defeat in a sportsmanlike manner.

The joint meeting of the Odd Fellow and Rebekah lodges will be held at the I. O. O. F. hall Thursday, March 25. The Odd Fellows will furnish the entertainment for this meeting and the Rebekahs the refreshments. A good time is assured. The junior class party which was given in honor of the two junior basketball teams last Friday evening at the high school was one of the most delightful parties that has been held for some time.

Both the boys and girls basketball team of the junior class won in the contests this spring and the rest of the class took delight in honoring them. The entertainment was in the form of a field meet in which those present progressed from one contest to another. "A dandy time" was the enthusiastic report.
