The Brunswick Name
 Certifies an Extraordinary Tire

Many motorists buy Brunswicks because of the name alone. It is sufficient assurance for them of super-quality.

They have known this ancient house for its high standards, as have their fathers and grandfathers. Since 1845 the House of Brunswick has been noted for its rare workmanship.

Brunswick standards, as applied to tires, mean giving the utmost. In them you will find combined all the approved features properly related. No one advantage overshadows others nor hides shortcomings.

The best tread that's known, the strongest fabric, the most enduring side-wall construction, every addition, every extra, make Brunswicks prove their superiority. No factory cost has been too great.

ONE Brunswick will win your decision to have ALL Brunswicks. It will be a revelation.

Buy it today. It costs no more than like-type tires
