LOCAL DOINGS BRIEFLY TOLD

Dr. Eugene C. Hickman, pastor of the Wilbur Methodist Episcopal church in Portland, will preach at the Gresham Methodist Episcopal church next Sunday evening at 8 o'clock. Dr. Hickman is highly spoken of and is considered a valuable addition to the ministerial force in Portland. He will doubtless be greeted by a large audience here.

The Women's Home Missionary society will meet on next Wednesday afternoon, April 14, at the home of Mrs. K. A. Miller. Miss Davis of the Portland Settlement Center will be present and speak early in the meeting, which will commence promptly at 2 o'clock, as Miss Davis must leave early. Mrs. O. A. Eastman is chairman of the serving committee.

J. E. Metzger is driving a beautiful new Chevrolet Baby Grand, recently purchased from C. E. Osburn & Co.

T. R. Howitt went early this week to California on a business trip.

The W. C. T. U. meeting in cooperation with the missionary societies, which was held at Mrs. W. J. Ott's home Thursday afternoon, was a delightful affair and even those spacious rooms were taxed to capacity with the many who attended. The playlet "Americanization", which was given by Portland women was exceptionally well rendered and in a pleasing form conveyed many statements and plans of the work of the W. C. T. U. among foreign speaking people. A fuller report of the business meeting will be given next issue.

Wallace Wilkinson and family, of Centralia, Washington, are visiting his parents, Mr. and Mrs. A. M. Wilkinson.

The town officials and councilmen were dinner guests at Mrs. Withrow's new restaurant, last Tuesday evening at 7 o'clock. Mayor Geo. W. Kenny, Recorder C. G. Schneider, Treasurer John Metzger, Marshal J. G. Metzger and Councilmen E. H. Kelly, W. C. Metzger, J. E. Metzger, Al. Hammar, B. L. Walrad were present. T. R. Howitt, the other councilman, was the only one absent and he was on his way to California. A delicious dinner was served and the guests were royally treated.

A very important business meeting of Gresham Rebecca lodge No. 61 will be held Monday, April 12 at I. O. O. F. hall. This meeting will be of special interest to all members and all are urged to attend.

GIVES WIFE GLYCERINE MIXTURE

A retired merchant whose wife suffered for years from catarrh of the stomach finally gave her simple glycerine, buckthorn bark, etc., as mixed in Adler-ka. ONE bottle produced great results. Because Adler-ka acts on BOTH upper and lower bowel it removes all foul matter which poisoned stomach. Relieves ANY CASE sour stomach or gas on stomach. Often CURES constipation. Prevents appendicitis.—Powell's Pharmacy.—Adv.

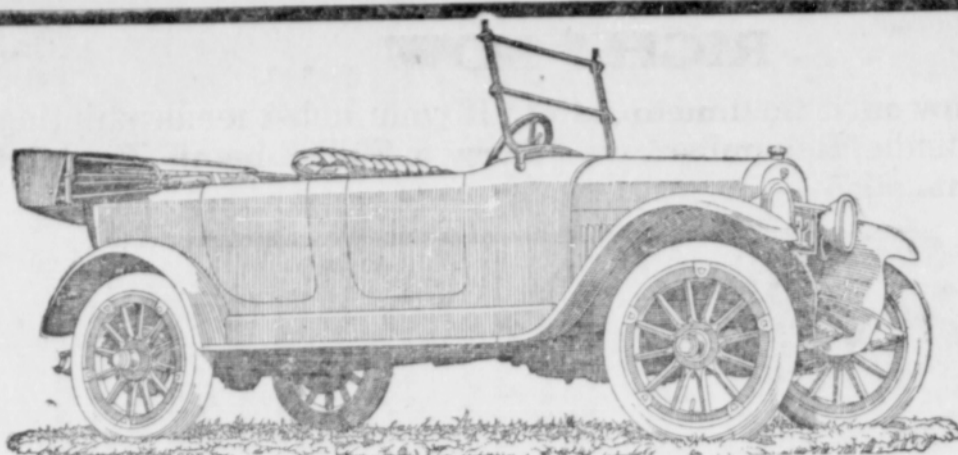

SUMMONS.

In the Circuit Court of Oregon for Multnomah County.

Evelyn Hall, Plaintiff vs. Harley Hall, Defendant.

To Harley Hall: In the name of the State of Oregon you are hereby required to appear and answer the complaint herein on file in said Court on or before the 14th day of May, 1920, and if you fail to answer the plaintiff will ask for the relief prayed for in her complaint, namely, for a decree dissolving the marriage contract existing between yourself and the plaintiff; and for the care and custody of the minor children Gladys Mildred Hall and Pearl Hall. This summons is published by order Hon. John McCourt granted April 2, 1920 and requiring first publication to be had upon the second day of April and the last upon the fourteenth day of May of said year. B. F. MULKEY, Attorney for Plaintiff.

403 Corbett Building, Portland, Oregon. First publication, April 2, 1920. Last publication, May 14, 1920.

FINE METALS MAKE A FINE CAR

As a car is 98 percent metal you can readily imagine how great a part metals play in its quality. A Maxwell is made of fine metals—extra fine metals; otherwise it never could have survived those 1,500,000,000 miles that owners are estimated to have driven it.

These metals had to be of the finer grades in a Maxwell. For a Maxwell is light—2130 pounds. Lighter metals had to be used but lighter in weight only—not in strength.

Such metals are the extra fine metals that the great science of metallurgy has produced. They are high priced. But they have won countless friendships for Maxwell, developed a great family of owners approaching 400,000 in number.

This vast number is growing daily at the rate of 100,000 per year.

Your Money's worth

—and more, too, is what you get with the new

International Manure Spreader

1. Roller bearings at seven points. Smooth, quiet running.
2. Spiral wide spread grips anything and spreads evenly.
3. Steady double ratchet apron drive from main axle; no jerking.
4. Six feed speeds and manure given three beatings.
5. Two all-steel beaters with square, chisel-pointed teeth.
6. Steel wheels, steel frame mostly riveted, 2-inch solid steel axle.
7. High loads handled. Upper beater gets 'em—34-inch high or better.
8. Even drive—apron driven from one end of main axle, beaters from other.
9. Constant alignment—main frame holds bearings; box only holds load.
10. Front and rear wheels track like a wagon.
11. Auto-type front truck eliminates pole whipping; turns short.
12. Front truck oscillates, reducing twisting strains on frame.
13. All bearings self-aligning. Ample supply of grease cups.
14. Box 1 1/2-in. wider at rear than at front; reduces friction in moving load.
15. Tight bottom helps retain manure liquids.
16. Two sizes to choose from—two and three-horse.

Beat this spreader if you can. It's dandy. It's selling fast. Better get yours soon. Write right away.

Ford cars have become such a world utility that it would almost seem as if every family ought to have its Ford car. Runabout, Touring Car, Coupe, Sedan, (the two latter have enclosed bodies), and the Truck Chassis, have really become a part and parcel of human life. You want one because its service will be profitable for you. We solicit your order at once because, while production is limited, it will be first come, first supplied.
