EVERY battery has to stand more or less pounding every day of its life, for even the best springs in the world can't absorb all the jolts. The effect of big and little bumps will be greatly lessened if you see to it that the battery is clamped tightly in place. Or ask us to see to it next time you come in.

**GRESHAM LOCALS**

Wednesday, April 23, Miss Ruth Young, county health nurse, will be at the library and conduct the first session of the child welfare station which has been established here.

Mr. and Mrs. Geo. J. Laver and daughter, Margaret, drove over from Mill Plains, Sunday, to visit with Mrs. Laver's mother, Mrs. L. S. Osborne.

Mrs. C. M. Harvey and daughter, Miss Laura of Lents, were guests at the home of Mr. and Mrs. O. I. Neal on Sunday. Miss Harvey is a teacher in the Lents school.

The residence owned by Arthur Regner on Second street has been moved. The building has been moved back from the street and a little east of its old location. This adds much to the appearance of the place, and leaves room for some added improvements which he plans on making. More important still it reduces the insurance on the Regner building on Main street to have the residence further away.

Word has just been received of the sudden death of Mrs. J. J. Ryan at her home in Silverton. The cause of her death was heart failure. Mrs. Ryan was married about four months ago to J. J. Ryan who is well known in Gresham.

J. N. Mewhirter has had a new cement sidewalk laid in front of his property. This adds much to the appearance of the place.

The Boughner building on Powell street is being reshingled this week. The new mangle has been received by the Gresham Steam laundry and is being placed ready for use. This mangle is about three times as large as the one now in use and will increase the capacity of the plant.

Hamlin Henderson and his mother, Mrs. Henderson of Portland were guests at the home of Mr. and Mrs. H. C. Larsen last Sunday. Mr. Henderson and Mrs. Larsen were school friends but have not met for the past 35 years. A very enjoyable day was spent in renewing the old acquaintance.

C. W. Altman and family from Yamhill county have moved into the house belonging to Frank Heiney on Roberts avenue.

R. W. Calkins, who is in the Good Samaritan hospital underwent a successful operation and is reported to be improving.

A Ford sedan belonging to Roy Peterson was driven by Miss Opal Phillips into the curb in front of Aylsworth's store on Friday afternoon and one wheel was completely demolished. No other damage to the car was reported and no injury came to Miss Phillips.

Mrs. Ida Dunlap of Portland is visiting with Mrs. B. W. Emery. Callers at the Emery home on last Sunday were Mr. and Mrs. Chas Dye of Oregon City. The latter is the well known author, Eva Emery Dye, who is a relative of Mr. Emery.

Mrs. Timmerman Notified of Death of Uncle.

Mrs. Harriett Timmerman received the sad news last week of the death of her uncle, S. A. Moulton, of San Jose, California.

Mr. Moulton was a prominent fruit grower, having extensive prune orchards in the Santa Clara valley. Mr. Moulton was also known as an organizer of the Santa Clara Fruit association which was later consolidated with the California Prune and Apricot Growers, Inc.

Mr. Moulton lived to the ripe old age of 86 years and eleven months, continuing in his work until only a few hours before his death.

Special Communication of Gresham Lodge No. 152 A. F. & A. M. Wednesday evening, April 23, at 8 o'clock for labor in the P. C. degree.

Visiting brothers welcome. C. B. PETERSON, Sec'y. W. K. HAMILTON, W. M.

MEMBER FEDERAL RESERVE SYSTEM

**THE STRENGTH OF A BANK**

The strength of a bank depends primarily upon the ease and speed with which it can make its assets available in cash when needed.

Because of our membership in the Federal Reserve System, we can at any time instantly obtain cash by rediscounting with the Federal Reserve Bank the commercial paper which constitutes a large part of our assets.

This in effect increases our available reserve and insures our being able to meet demands for cash at any time.

**FIRST STATE BANK**

**Everybody's Gardening Now!**

1920 will be the greatest gardening year ever known. It is realized that the only way to beat the H. C. of L. is by individual production. Your garden offers the most practical means to accomplish this.
