TROUTDALE

Fairview lodge No. 92, A. F. & A. M., held a fine meeting Saturday evening, May 1st, at the Masonic hall in Troutdale. It was the regular meeting time, and extra work was put on in conferring the Master Mason degree on Thomas Miller, of the Sandy road, and L. A. Harlow, of Troutdale. The degree work for Mr. Miller was put on by a team from the Gresham lodge in the afternoon, and in the evening, in the presence of about 85 local and visiting Masons, the degree was conferred on Mr. Harlow by a team of fellow courthouse employees of his. Among the visitors from Portland were County Clerk Beveridge, Road Master Eatchel, and Sheriff Haribart. Pins emblematic of the degree, were presented to the two candidates. Ralph Hoyt, county commissioner, acted as musician. Sandwiches and coffee, with cake sent in by the wives of the local Masons, comprised the lunch.

At the Troutdale Sunday school last Sunday, it was voted to hold this service at 10 o'clock a. m., instead of 11 as before. Evening service will be at 8 p. m. as usual.

At the Troutdale Ladies' Aid meeting at Mrs. Wm. Spence's home Wednesday afternoon, it was decided to give a supper at the church Saturday evening, May 15. Mrs. L. A. Harlow will hold the next tea at her home, the last Thursday in the month. Mrs. J. R. Knarr and Mrs. L. A. Harlow were hostesses with Mrs. Spence in serving the dainty refreshments.

"A Mother's Day Message" is the topic of the sermon to be given by the pastor, Rev. Earl B. Cotton, at the evening service Sunday.

Does your suit need cleaning? The Gresham Steam Laundry will do it for you. Give us a trial.—Adv.

A. A. MUCK
 COUNTY COMMISSIONER
 FOR RE-ELECTION

Republican Primaries, May 21.

A. A. Muck recently announced his candidacy for renomination as county commissioner on the republican ticket. He has served one term as a member of the board of county commissioners, having been elected in 1916. Basing his candidacy for renomination on the claim that he has given all his time and attention to his official duties, Mr. Muck points to the fact that he has attended every meeting of the county board but one during his term of office.

Prior to assuming his present duties, Mr. Muck, who has resided in Portland with his family for 17 years, served a term as president of the St. Johns city council and two terms as mayor of St. Johns, being the incumbent of that office when St. Johns was merged with Portland.

Commissioner Muck's activities during the war gained him considerable prominence. He organized the territory north of his present street for the war savings stamp drive and had full charge of that drive in Multnomah county outside of Portland. He participated as a district leader in all of the Red Cross drives and in three of the liberty loan campaigns. In two of the liberty loan drives he had charge of all territory in Multnomah county outside of Portland.

Mr. Muck's declaration of candidacy is as follows:

"If I am nominated and elected I will, during my term of office, favor and enforce one hundred per cent Americanism in all departments of county government; favor the development of the budget system so that the people will be fully informed in regard to expenditures; devote my entire time to the office, as in the past; continue to discharge my duties with efficiency, courtesy and economy; keep my office door open, as I have since I became county commissioner, so that people having business with me may consult me without delay; favor reduction of cost of government by consolidation of conflicting activities; favor home labor and home products; favor enforcement of law."

His slogan is: "Present county commissioner; always on the job; continued good service."

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
