

A. A. MUCK COUNTY COMMISSIONER FOR RE-ELECTION

Republican Primaries, May 21.

A. A. Muck recently announced his candidacy for renomination as county commissioner on the republican ticket. He has served one term as a member of the board of county commissioners, having been elected in 1916. Basing his candidacy for renomination on the claim that he has given all his time and attention to his official duties, Mr. Muck points to the fact that he has attended every meeting of the county board but one during his term of office.

Prior to assuming his present duties, Mr. Muck, who has resided in Portland with his family for 17 years, served a term as president of the St. Johns city council and two terms as mayor of St. Johns, being the incumbent of that office when St. Johns was merged with Portland.

Commissioner Muck's activities during the war gained him considerable prominence. He organized the territory north of Fremont street for the war savings stamp drive and had full charge of that drive in Multnomah county outside of Portland. He participated as a district leader in all of the Red Cross drives and in three of the liberty loan campaigns. In two of the liberty loan drives he had charge of all territory in Multnomah county outside of Portland.

Mr. Muck's declaration of candidacy is as follows:

"If I am nominated and elected I will, during my term of office, favor and enforce one hundred per cent Americanism in all departments of county government; favor the development of the budget system so that the people will be fully informed in regard to expenditures; devote my entire time to the office, as in the past; continue to discharge my duties with efficiency, courtesy and economy; keep my office door open, as I have since I became county commissioner, so that people having business with me may consult me without delay; favor reduction of cost of government by consolidation of conflicting activities; favor home labor and home products; favor enforcement of law."

His slogan is: "Present county commissioner; always on the job; continued good service."

PICNIC PARTY ENDS IN JUSTICE'S COURT

A party of Gresham people, among them Guy Jones and Hayden Hiatt went down to the Columbia river Sunday for a picnic and the picnic ended in Justice Brown's office.

Young Hiatt was in a boat, so it is said, when the owner of the boat and farm, Chas. Fitzgerald, ordered him out. A rather hot argument resulted and the language which Mr. Fitzgerald used was not the "soft answer that turneth away wrath" according to witnesses and Mr. Jones stepped up and requested that the language be modified. When asked who and what he was, Mr. Jones produced his deputy sheriff's star but the farmer had become so angry that the sight of the star didn't calm him down and during the argument, Fitzgerald knocked Jones down.

Mr. Jones then had him arrested on the charge of resisting an officer and the case was tried out in Justice of Peace Brown's office.

Mr. Fitzgerald was fined \$10 and by that time everybody felt a little better and they shook hands and left all hard feelings in Brown's office.

Not Asking for More Road Money.
"The State Highway Commission is not asking for more money," said R. A. Booth, commissioner, in addressing a Lane county audience on the 4 per cent road bond limit measure; "all we want is the power to capitalize the income now on hand. The state road funds are now taken from two sources—the one cent tax on each gallon of gasoline and the automobile license fees. The state constitution, as it now reads, prohibits more than two per cent being put into the roads, and what the commission wants is an amendment of this clause so four per cent can be put into the roads. A direct additional tax is not asked for, nor is any increase in the gas tax or auto license fees."

Mr. Booth also brought out that "a new road program is not to be rushed through, but the present one is to be finished providing the voters of Oregon back up the four per cent limit measure."
Commissioner Simon Benson is also on record against rushing construction too rapidly, considering high labor costs and the high cost of money, but favors ratification of this four per cent bonding amendment so there will be authorization to issue bonds at such times as favorable conditions justify. Final control over actual bond authorization rests with the legislature, as unless the legislature passes enabling legislation under the four per cent amendment, the highway commission is without authority to issue bonds.

Record Hens' Nest Found.
George Lusted, of Lusteds, claims the honor of having found the record nest of eggs, when he discovered a three-foot square space under the barn with several layers of eggs in it. Some ambitious biddy had tried to incubate the whole bunch and succeeded in bringing off a good-sized brood. Even after that there were left 160 eggs more than half a crate.

It is not so much what you think of your town, but the impression the visitor gets of it. There is justifiable pride in wanting your city to make a good impression on strangers. The only way to do this is for everyone to help make the city what it ought to be.

HORSE BADLY CUT BY FALL

Specialist's Prescription Prevents Complication.

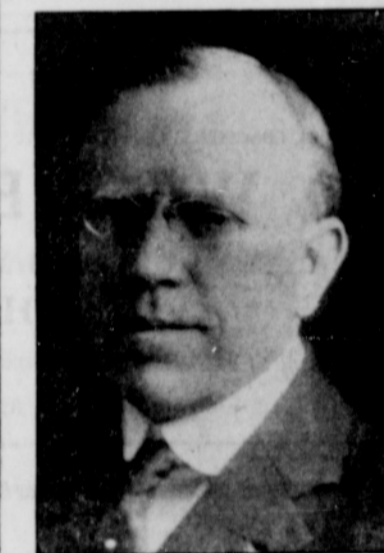

In telling of the accident to his horse, Mr. Luther Carmen of Valley Park, Mo., stated: "My horse fell down and cut his knees all up. I dressed them with Dr. LeGear's Antiseptic Healing Powder and they are healing fine. It is a wonderful remedy for healing sores on horses."

Mr. Carmen is simply voicing the sentiments of hundreds of others who feel that having Dr. LeGear's personal prescriptions on hand at all times is nearly as good as having Dr. LeGear where they could reach him in a few minutes.

Wounds and sores must be taken care of immediately. Get a can of Dr. LeGear's Antiseptic Healing Powder from your dealer. Dust on enough of it to cover the wound or sore. It forms a protection against insects and infection and promotes healthy healing.—Dr. L. D. LeGear Med. Co., St. Louis, Mo.—Paid Adv.
