

### Commencement Gifts

The graduation gift has a sentimental value out of all proportion to its cost. A five hundred dollar watch received later in life would never mean so much as a fifty dollar present at commencement.

In helping you choose a gift, we consider the pleasure it is to give as much as we do the profit we may make.

## Facts!

You cannot deny them.

Motorists buy Zerolene because it is good lubricating oil; because it makes the car last longer.

More than half the motorists of the Pacific Coast states use Zerolene. Such approval is never an accident; it is given only as a reward to products of highest quality.

Use Zerolene for Correct Lubrication of your automobile, truck or tractor.

### EASTERN STAR AND MASONS TO PICNIC

Gresham chapter, order of Eastern Star met Tuesday evening in regular session and an unusually pleasant social hour was spent following the business meeting. A most important feature of the evening was the supper. Luscious pineapple cream pies baked by Mesdames O. J. Brown and S. B. Hall, were served with whipped cream. Everyone present was very glad they had come about the time those pies were served. They were the famous "melt in your mouth" kind and they surely "melted" before the onslaught of the "Stars."

The State Picnic for the Eastern Star and Masonic Lodges will be held at Forest Grove, Monday, May 31. The picnic will be held on the site of the new Masonic and Eastern Star home which is under construction at Forest Grove.

At this picnic each chapter of the Eastern Star are to put on some funny stunt. Gresham chapter plans to have the funniest stunt of them all. The Lodge appointed Mrs. H. H. Eling, Geo. Honey, Mrs. U. G. Smith, Mrs. J. N. Clanahan, John Ide, and Ed Metzger on the Jinks committee and their selection insures that the stunt will be clever as well as funny. The nature of the stunt is being kept a profound secret but members of the committee say it is the funniest ever and not the least possibility that there will be anything like it on the whole program.

Every member of the Gresham lodges is urged to make plans to attend.

### CAPS AND GOWNS OF GRADUATES ARRIVE

The graduating class of the Union High school has received the caps and gowns for the commencement exercises which will be held soon. The class will have the gowns two weeks this year instead of one as in former years.

The practice of wearing caps and gowns is a new one in this state only six other schools in this state having adopted it. The other schools are Astoria, Bend, Coquille, Cove, Madras, and Myrtle Creek.

In eastern states the custom is in general use and high schools in Chicago, New York, Boston, Philadelphia, Detroit, etc., are wearing the caps and gowns instead of the more expensive outfits which they substitute.

Last year the one company from which Union High obtained their gowns equipped 27,410 high school graduates with the cap and gown for their commencement exercises.

Ask E. L. Thorpe about the Juvenile investment in the Union Savings and Loan association.

### MONEY!

MONEY to pay that mortgage against your home, farm, or other property, if you should die before you pay it.

MONEY to prevent a sacrificial sale of your home, farm, or other property, if you should die.

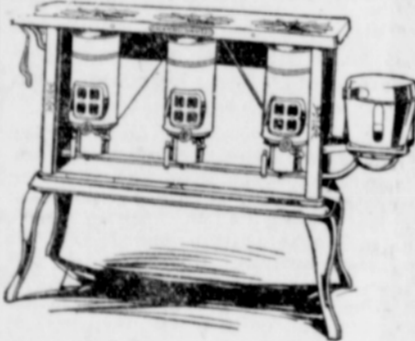

MONEY to provide working capital for your heirs in the operation of your farm, or other business, if you should die.

MONEY for yourself when you become old.

If you are interested in making such provisions for money, write a postal for further information. Address

### GRESHAM LOCALS

Mr. and Mrs. Geo. Leslie have just returned from Seaside where they spent twelve days at their cottage. While at Seaside the Leslies sold their seven room cottage to Mr. Montague the photographer at Seaside. They have purchased a small cottage nearby. They had expected to make a longer stay but owing to the cold weather and the lack of clams they returned to Gresham to await warmer weather.

Seaside is booming, many new cement sidewalks are being laid. Hotel Moore is being remodeled by the new owners into a beautiful structure. Two large observation towers are among the improvements that are being made.

The last meeting of the Gresham Social Club was one of the best of the season. There were nearly twice the usual number present and a most delightful time was spent. Dr. and Mrs. W. J. Ott, Mr. and Mrs. Bert Thorne, and Mr. and Mrs. Ed Metzger were the serving committee. A short business session was held during the evening and it was decided to hold a picnic sometime late in the summer. Bonneville or Bull Run were suggested as suitable places.

Little Dorothy O'Neil has recovered from the rather severe cuts and scratches which she received last Sunday when the dog owned by the Deitl children attacked her. As only the children were witnesses no explanation was known for the dog's being loose, and it was not known why he attacked the child. The dog is only five months old. Dorothy received several cuts and scratches and of course was badly frightened but is now fully recovered.

E. P. Smith, a former resident here, was in Gresham today on business. Mr. Smith has gone into business in Newberg where he is conducting a carpenter shop doing all kinds of repairing and building.

A very delightful evening was spent last Wednesday when a few friends of Miss Inez Lusted gave her a surprise in honor of her birthday. The party was a little delayed. Miss Lusted's birthday having passed several days before, but it was none the less enjoyable for that fact. Refreshments of ice-cream and cake were served and the guests departed at a late hour.

The Ladies Aid Society of the M. E. church will meet at the home of Mrs. Geo. Page, Wednesday afternoon, May 25. The ladies are requested to bring needle and thread as there will be sewing on hand. The hostess will be assisted by Mrs. Geo. Honey, Mrs. Benj. Cameron, Mrs. S. R. Kitzmiller and Mrs. S. S. Thompson.

In the announcement of Miss Freida Bratzel's recital last issue, a mistake was made in the date. The recital will be held Saturday, May 22, at 2:30 p.m. The recital will be held at Miss Bratzel's home on Ridge Avenue near Lawrence Avenue. Friends and parents are invited to attend.

John Bacon left last Tuesday for Baker City where he will be in partnership with E. E. Welling in a Chevrolet agency.

The Arthur Regner house on Second street is being remodeled for Dr. Geo. W. Inglis and family who will move to the new location as soon as the work is completed. The John Brown family will then move into their former home which has been occupied by the Inglis family for some time. The Ely house where the Brown's are living has already been spoken for. The moving operations will commence in about a month.

The Knights and Ladies of Security will meet in their hall Tuesday night, May 25. All members are urged to be present as important business will be brought up. L. M. Thomas, state manager and his wife, will be present.

### MISS VIOLET COE WINS IN ESSAY CONTEST

In the "Know Oregon First" essay contest at the Union High School, Violet Coe, a senior, received first place and Emil Anderson, sophomore, second place. Violet's essay was sent to Eugene to compete in the state high school essay contest. Her subject was, "Forest Grove and Pacific University." Mr. Anderson's subject was, "The Early Days of Astoria." There were six contestants. All the essays will be typewritten and filed in the library of the high school and also in the public branch library.

### MAGAZINES ARE BEING COLLECTED FOR MARINES

Magazines and books are still being collected for the Merchant Marine. With the cessation of war work the Army and Navy took over the libraries for soldiers and sailors. The merchant Marine however has no organization behind it and their reading matter must come through gifts. Ten vessels a month are supplied in Portland. Fiction, technical books and magazines are wanted, and can be left at the Gresham library for the Marine Collection.

### CHILDREN READ BOOKS AND MAKE GOOD REPORTS

Every year the school children make book reports. Five children's classics read and reports made give one a certificate. The librarian's car has stood in front of the Lynch and Fairview schools all day long and other schools have kept her long periods listening to reports on somebody's favorites.

The Gresham children have shown a partiality for Robinson Crusoe, Tom Sawyer, Little Lame Prince, and Black Beauty. Miss Montague has heard these stories many times, but each narrator tells some incident forgotten by his predecessor, so that listening is never tedious.

The following Gresham children have reported on five classics: Winston Strong, Frederick Bechill, Viva Anderson, George Wadsworth, Myron Gleason, Earl Weiss, Ladessa Davis, Pauletta Dowsett, George Johnston, Sylvia Weston, Margaret St. Clair, Ada May Hudson, Herbert Eling, Richard Beadle, Harry Hollywood, Ralph Wadsworth, Ray Wadsworth, Orville Johnson, Addie Pullen, Dale Altman, Myrtle Soderquist, Florence Kern, Willene Botkin, Jean Adix.

"Stop My Ad!" Those words usually throw a scare into the publisher who begins to wonder what the -- "I'm all sold out" ah, that explains it and the editor smiles again.

Get your cleaning and pressing done at the Gresham Steam Laundry. Satisfaction guaranteed.—Adv.

# Ford

THE UNIVERSAL CAR

Remember that when you bring your Ford car to us for mechanical attention that you get the genuine Ford service — materials, experienced workmen and Ford factory prices. Your Ford is too useful, too valuable to take chances with poor mechanics, with equal poor quality materials. Bring it to us and save both time and money. We are authorized Ford dealers, trusted by the Ford Motor Company to look after the wants of Ford owners—that's the assurance we offer. We are getting a few Ford cars and the first to come first to receive delivery.
