FAIRVIEW
 The beautiful home of Mayor and Mrs. R. R. Morrill was the scene of a jolly gathering of friends on Wednesday evening, May 26, it being the 12th anniversary of their marriage. The evening was spent in games, music and dancing, after which ice cream and cake were served. At a late hour the many friends reluctantly took their departure, first wishing the couple many returns of the day. A number of the guests motored from Portland.

The program put on by the Women's society of the Smith Memorial church last night was a splendid success both as to excellence of the affair and in a financial way. Much work and time had been expended to provide a good program, which was appreciated by those present. An interesting feature was the large number of ancient costumes exhibited, ranging all the way from colonial to civil war time. Mrs. C. G. Fancher wore a costume formerly belonging to her great-grandmother, Miss Margaret Jonas' gown, not old in itself, had in it a panel of beautiful brocade from a state gown once worn by Queen Marie Antoinette of France. This was an heirloom handed down from one who had been a lady in waiting to the queen. The men of the chorus were not behind the women in wearing costumes of long ago. Altogether they were very striking in puffs and wigs and ruffles. Great credit is due Mrs. Minnie Stone for her painstaking work in drilling the chorus.

PLEASANT HOME
 A delightful little party was given Miss Helen Moulton at her home last Saturday evening. Games and Music made the time pass rapidly. Refreshments were served.

A charivari was given on Mr. and Mrs. Leon Caddy, Wednesday evening and a jolly good time enjoyed.

The regular services will be held at the Methodist church Sunday morning. Preaching at 11 o'clock; Sunday School at 10 a. m.

MELROSE AND VICTORY

The Cedar Industrial clubs, the 3-C cooking club and the Betsy Ross sewing club, will give a demonstration of their work at the school-house Saturday evening, May 29.

The cooking club will demonstrate potato cookery. The demonstration will finish the work of the 3-C club and the gold seal for their charter will be presented by Miss Ethel I. Calkins.

The Betsy Ross girls have their work well along and will complete it in a short time. They will demonstrate how to fit a dress. This will be the last meeting of the summer for the Cedar Parent-Teacher association and it is expected that there will be a large number present.

Cedar school closed with a school picnic Tuesday at the Auto club grounds. They report a grand time. The children had races, contests and games. Even the ladies had a race which was won by Mrs. Backstrand. The ladies who acted as chaperons for the party were Mrs. Edward Backstrand, Mrs. C. P. Tallman, Mrs. Geo. Moffitt, Mrs. C. H. Hopkins, Mrs. A. C. Althaus and the teacher, Miss Caroline Tallman.

PLEASANT VALLEY

Mr. and Mrs. Savo entertained friends from the city last Sunday. Ralph and Verne Richey went to Deer Creek on a fishing trip one day recently.

DeWitt Donley of Portland spent the week-end visiting with his mother, Mrs. M. E. Donley. Fred Olson and family left Tuesday for Hood River, where they expect to stay through the strawberry season, when they will go to Idaho where they will stay until the grain harvest is over. From there they will go to Kansas, where Mr. Olson owns a large farm. Mr. Olson has provided himself with a modern camping outfit and will travel by auto truck.

Mrs. Emma Sims, of Portland, was a guest at the home of Mr. and Mrs. G. H. Kesterson one day recently.

Willard Bliss went to the hospital last Sunday where he underwent an operation. He is reported to be on the road to recovery, which his many friends trust will be speedy and complete.

Wm. Donaghy has sold a five acre tract of unimproved land to a party from Portland but whose name we were unable to ascertain. The consideration was \$240 per acre.

C. A. Eckstrand is assembling material improvements for his poultry business.

J. C. Dahm is building a new poultry house.

Cleveland Bliss has just completed erecting a woodshed on his place. The vote in precinct 307 for president was Wood 19, Johnson 16, Hoover 6, Lowden 5. For Judge, Department No. 2, Deich 18; Jones 7, McDougal 13. Rudeen was high man for commissioner. A. H. Burton 25, W. C. Alderson 11, for county school superintendent.

The eighth grade class of Pleasant Valley school graduated with colors flying, having scored an average of 95%. Esther Loughlin, Teresa Schmidt and Willie Ayers were the pupils who took the examination. Little Alice Richey passed highest in the sixth grade class, scoring an average of 98. Alice was also successful in passing the eighth grade questions in physiology.

At a meeting held in the Pleasant Valley grange hall last Monday night those present passed a resolution unfavorable to joining the Union high school district.

PUPIL'S PRESENT GIFT TO GEO. W. METZGER

May 21st marked the closing day of school at Powell Valley. A picnic was much enjoyed by all of the pupils.

A generous supply of ice cream and cake was enjoyed at the schoolhouse after which a stroll through the woods was declared in order.

When they returned, Geo. W. Metzger, principal, was very much surprised on being presented with a package which contained a very beautiful gold mounted present which he now wears near his heart.

Wednesday evening, May 26, the eighth grade graduating class gave a spread at the home of Mr. and Mrs. Charles Nordblum. Their teacher, Mr. Metzger, was guest of honor. After a bounteous repast was partaken of, the evening was spent in playing games, singing songs, and general jollification on the lawn lighted with Japanese lanterns. In appreciation of the work of their teacher, the class had another surprise awaiting him, another beautiful and expensive present.

The members of the graduating class are Etta Anderson, Emily Salquist, Violet Carrell, Estella Keller, Anna Nordbom, Chester Christensen, Clarence Magnuson, and Guernsey Wood.

Both young people have grown up in the neighborhood and are popular members of the younger set.

These Tires Are a Revelation

The Brunswick is frankly a combination of the best in tire building. There is one tread that's supreme beyond question. And that is now on Brunswicks. There is one side-wall construction, which, by every test, holds the summit place for endurance. And that one was adopted for Brunswicks. Fabrics differ — up to 30 per cent — in their strength tests. On Brunswicks the maximum long-fiber is the standard. There are certain additions, each one expensive, which add vastly to tire mileage. The Brunswick embodies all these extras. There are no patents, no secret formulas to prevent any maker from building the best. It is simply a question of knowledge and skill—cost plus care. Brunswick standards are known the world over. The very name certifies an extraordinary tire. Yet Brunswicks cost no more than like-type tires. Buy ONE Brunswick. It will prove that a better tire cannot be bought, regardless of price.
