S. S. CONVENTION TO MEET AT ILIFF CHURCH

The Pleasant Home district Sunday school convention will meet at Iliff Sunday school next Sunday, June 6th.

Mr. Peterson, president of the Multnomah County Sunday School association will be present and speak on some of the problems of a small Sunday school. Mr. Peterson will tell how he solved some of these difficulties and it is felt that this will be one of the most practical and helpful talks that the district convention has yet heard.

Miss Georgia Parker will be present and will take charge of the children's work. Miss Parker has been here before and her delightful ways are well known. Her name will bring the children and the parents and grandparents enjoy her delightful stories and methods.

There is a considerable amount of important business to come before this meeting and a good attendance is desired.

The Sunday schools will each hold their own session from 10 to 11 o'clock and then go from Sunday school to the Iliff church where the program will commence about 11:30 a. m.

The Iliff Sunday school will meet from 10:30 to 11:30 a. m. and Miss Parker will be on hand to take charge of the children's classes.

The morning session will be from 11:30 to 12:30 and then a basket dinner will be served and a social hour enjoyed.

The afternoon session will commence at 2 o'clock and last until 4 o'clock.

Among the other features will be included a round table discussion of the needs of a small Sunday school. The main problem of the day is the discovery of helpful methods and means for caring for a Sunday school from 20 to 60 pupils and every Sunday school worker who expects to attend is asked to think up all the successful ideas that have been carried out in their own schools during past years. The plan of the executive committee is to make the meeting of permanent benefit to all who attend. Iliff church is located just about one-fourth mile east of Cedar schoolhouse in the Melrose neighborhood. A cordial invitation is extended to all to bring their families their dinner and enjoy a happy and profitable day.

GOOD INTEREST IN CHAUTAUQUA PROGRAM

If the first days Chautauqua program is a sample of what is to follow it will be the best week's program that has ever been given in Gresham. Considering the fact that Monday was a holiday and many people were out of town or on picnics nearby, there was an unusually good attendance.

The MacGregor singers delighted the audience with their songs and readings, all four were excellent but the audience never tired of Vawter MacGregor's character songs, and last night in spite of his protest they called him back until he satisfied them by singing a favorite selection. Mrs. MacGregor was no less delightful and her readings and lullabys were especially fine.

The audience would have been content to have had the MacGregors continue the program throughout the evening but when Mrs. Marion Ballow Fisk began her interesting lecture the audience was held until the close which came all too soon.

Some of the Chautauqua fans said that Mrs. Fisk was the best cartoonist they had ever seen on a Chautauqua program. Her stories were entertaining and were well illustrated with pictures and sketches.

Joel W. Eastman will lecture on "The Unfolding of Democracy" tonight and the Fenwick Newell company will give the musical prelude.

From the program it appears that the programs get better each day and if this is true the week's programs will be excellent, even beyond expectation.

ALBERT BOICE SAVES COMPANION AT PICNIC

The pupils of No. 8 school district enjoyed a picnic on the closing day of school. The picnic was held on the bottom near the Melrose farm on the Base Line road and but for one nearly fatal accident was a delightful affair.

Little Robert Emmett while playing near the creek fell in and was nearly drowned. But for the promptness and courage of Albert Boice, aged 13, the picnic would have had a tragic ending.

Emmett was nearly dead by the time he was gotten out of the water. The water at this point on Beaver creek is very deep. The creek comes through the culvert under the Base Line road and forms a deep pool on the lower side of the road. While the teacher was away getting some ice cream the children got too venturesome.

Careless Smokers Start Fire.

A brand new automobile was damaged to the extent of about \$75 yesterday as the result of carelessness on the part of smokers. G. E. Bangs was driving a new Overland car, just received in a shipment, from Troutdale to Gresham for W. A. Hessel. Somewhere east of the 12-mile corner he offered a ride to two men who were walking and who accepted the offer and rode to the corner, where they got out. On reaching Gresham Mr. Bangs discovered a fire in the cushions of the back seat, both of which were burned through. Quick work in removing the cushions prevented any further damage to the car, but Mr. Hessel is now wondering who the men were who were careless enough to drop a lighted cigaret between the seat and back cushions. The damage is covered by insurance.

MEMORIAL EXERCISES AT BAPTIST CHURCH

The memorial exercises which were held at the Baptist church Monday morning were in keeping with the day. Patriotic songs were sung by the audience. There was no other music.

Rev. R. E. Myers read the order of the day and Rev. H. Gebhardt read Lincoln's Gettysburg address.

Rev. Earl B. Cotton of the Pleasant Home Methodist church gave the address of the day. Rev. Cotton outlined the events leading up to the civil war. He also spoke of the causes that led America to enter the World War.

Rev. Cotton said that the highest tribute the living could pay to their soldier dead was to carry on the work which they had commenced and help this nation live up to its high ideals of service.

After the exercises in the church the congregation led by the G. A. R. and W. R. C. visited the cemetery where a tribute of love and respect was paid to the comrades who had gone before.

GRADITIUM CLUB ENTERTAINS MOTHERS

The girls reading club gave a delightful little play at the library last Friday afternoon before a number of the mothers and friends.

The play was a little fairy tale, "The Enchanted Frog" and was cleverly carried out by the girls. The play was held out on the lawn.

The girls served refreshments to their guests and every one had a lovely time.

Kathleen Bailey had some costumes which were won by her great aunt and the girls wore these in their play. The old fashioned costumes fit the girls and they looked very quaint and old fashioned in them.

The girls are already planning to use them again and think they will give "Little Women" or parts of it next time. Miss Eda Mewhirter gave a review of "Little Women" which was much enjoyed by the older ones in the audience.
