TROUTDALE

The new Troutdale State bank opened for business Tuesday, June 1st, with a very gratifying amount of deposits. The first account opened was with Harold Hudson, Mayor J. H. Hudson's son, who began a savings account. The cashier, H. E. Bloyd, expresses himself as pleased with the interest shown by citizens of the community. The bank is in a brand new cream brick bank building, situated in the corner of the Arata grove, across the road from Miekley's garage.

The Troutdale Ladies' Aid society met Wednesday afternoon with Mrs. Ella Hensley. A large number of ladies attended, among them several new comers in the community. An unusually pleasant afternoon was spent, besides much business being transacted. Mrs. Wm. Crawford and Mrs. Wiley Richardson in serving the delicious lunch consisting of sandwiches, cake and punch, which was topped off with some of Mrs. Hensley's home grown walnuts.

Rev. George King and his wife, from the Interdenominational Home Mission of Portland, are showing a series of pictures in the Troutdale church. The slides are from celebrated paintings of the life of Christ, and they will run ten nights, beginning with last Tuesday, June 1. The pictures are very fine and it is hoped everybody will attend. Admission is free.

The Troutdale Aid society will give an ice cream party Saturday evening, June 12, at the J. R. Knarr home, on their beautiful lawn. Everybody come, and have a good time.

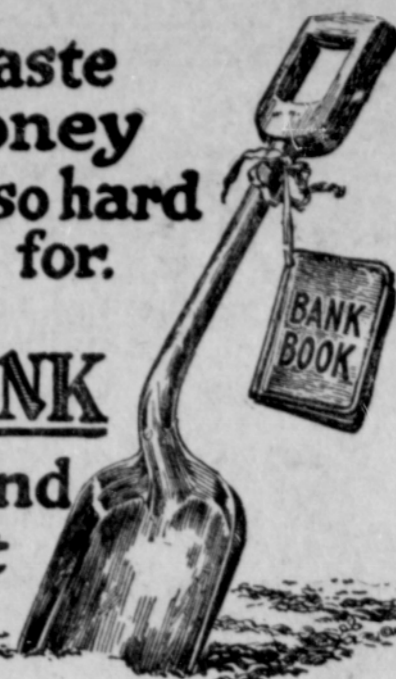

Herbert Bradley and family have gone to Portland for the summer, to live in their own home expecting to return in the fall at the opening of school. The H. C. McGinnis family have moved into the house they vacated.

What's become of the prejudice against automobiles because they frightened the horses

NOW cars are everywhere. The horses have gotten used to them—and so has everybody else. Think of it! This year the American people will spend nearly a billion dollars on tires alone.

Tires are one of the **biggest items** on the car owner's bills.

Hardly a Saturday, when you motorists drop in to "tune up" for a Sunday trip, that one or more of you doesn't tell us something of value to our business. Sooner or later it comes back to you in **Service**.

Service is what the car owners of this community are looking for nowadays.

And especially the **small car owners**, who put service

first in figuring their motorizing expenditures.

Just because a man has a moderate-price car is no reason why he should get any **less service** out of his tires.

We believe that the man with the small car is entitled to **just as good** tire service as the man with the big car—and both are entitled to the **best tire service** they can get.

That's why we represent U. S. Tires in this community.

And why more car owners—**large and small**—are coming to us every day for U. S. **Tires**.

Come in and talk to us about tires. We're here to help you get the kind of tires you want.

ices will be held at the M. E. church at 8 o'clock, Sunday, June 6. All are invited to attend.

The True Blue class of the Sunday school has donated an ample supply of new song books for the Sunday school and church, which is appreciated very much.

PLEASANT HOME

The Ladies' Aid society met Wednesday at the home of Mrs. M. Lennartz. There was a record crowd, 28 being present. The occasion was in the nature of a farewell party for Mrs. John Sieret who is leaving here and will make her home in Gresham. As an expression of their regard and their appreciation of her work in the society, the members presented Mrs. Sieret with a beautiful cut glass dish.

Funeral services for the late Harrison Sloop will be held from Dunning & McEntee's funeral parlors in Portland at 10 a. m. Saturday, June 5. Interment will be in the Pleasant Home cemetery. Mr. Sloop was the father of Grant and Clifford Sloop of Pleasant Home. He had lived for a number of years in Montavilla. A few weeks ago Mr. Sloop suffered from a stroke of paralysis and the end came Wednesday, June 2. Mr. Sloop was 84 years of age.

A dance will be given at Fairview, Saturday evening, June 5th. Door prize presented.—Adv.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
