Another Royal Suggestion

DOUGHNUTS and CRULLERS

From the NEW ROYAL COOK BOOK

DOUGHNUTS made the doughboy happy during the war and no wonder. There is nothing more wholesome and delightful than doughnuts or crullers rightly made. Their rich, golden color and appetizing aroma will create an appetite quicker than anything else in the world.

Here are the famous doughnut and cruller recipes from the New Royal Cook Book.

Doughnuts
2 tablespoons shortening
1/2 cup sugar
1 egg
1/2 cup milk
1 teaspoon nutmeg
1 teaspoon salt
2 cups flour
4 teaspoons Royal Baking Powder

Cream shortening; add sugar and well-beaten egg; stir in milk; add nutmeg, salt, flour and baking powder which have been sifted together and enough additional flour to make dough stiff enough to roll. Roll out on floured board to about 1/8 inch thick; cut out. Fry in deep fat hot enough to brown a piece of bread in 60 seconds. Drain on unglazed paper and sprinkle with powdered sugar.

Afternoon Tea Doughnuts
2 eggs
2 tablespoons sugar
1/2 teaspoon salt
1/2 teaspoon grated nutmeg

Crullers
4 tablespoons shortening
1 cup sugar
2 eggs
2 cups flour
1 teaspoon cinnamon
1/2 teaspoon salt
4 teaspoons Royal Baking Powder
1/2 cup milk

Cream shortening; add sugar gradually and beaten eggs; sift together flour, cinnamon, salt and baking powder; add one-half and mix well; add milk and remainder of dry ingredients to make soft dough.
