Although they saw many pretty places and thoroughly enjoyed the trip they still think that Gresham and this part of the county can't be beat.

**METHODISTS OBSERVE CHILDREN'S DAY**

The children's day program at the Methodist church last Sunday evening was much enjoyed. Recitations and songs from members of the primary department occupied the first part of the program. The little tots did exceedingly well.

About thirty members of the Sunday school gave a pantomime entitled "The College Bell." A chorus of 12 or 15 girls and boys sang during this number which closed with an effective tableau.

A short address by Rev. R. Eugene Myers and a song by the choir completed the program.

A vote of thanks was given Mrs. C. E. Rusher and Miss Edith Lyman who trained the children for the parts they took in the program.

The church was artistically decorated with roses.

The collection which was taken will be turned over to the educational fund from which students may borrow tuition money to aid them in attending college.
