POMONA GRANGE HOLDS MEETING

Pomona grange held one of its very delightful meetings Wednesday and there was a large attendance. It was estimated that there were at least 175 persons present.

In the evening the attendance was not so large. A large class took the fifth degree work after which a short program was rendered. A delightful reading by Mrs. Ralph Miller, a reading by Mrs. McAllister, songs by Miss Myrtle Rusher and Miss Edella Towle were among the delightful numbers, which were much enjoyed.

Russellville grange won the membership banner. They had an increase of 25.2 per cent in membership since the last meeting of Pomona grange three months ago. The Lentons grange won the banner last Pomona and has held it during the past three months. These are the only two granges to win the banner so far.

It is argued that the grange which has the largest percentage of gain in membership during the quarter. It is provided that whenever a grange wins the banner three times they have complete title to it for all future years and the contest will close. The banner was presented to Russellville grange by S. B. Hall.

The afternoon program was unusually good. Walter Evans, district attorney, gave a very fine address on the need of reform in the handling of prisoners who are serving short terms for a first offense. Mr. Evans advocates a system that will make a distinction between the younger offenders and the hardened criminals. For those who are serving out terms for minor offenses Mr. Evans advises training schools with enough work to keep them active and fit for work. Under present conditions they have too little work and come out totally unfit for meeting the competition in the outside world. Too often the only thing they can do is to take up again the life of a criminal and after six months or a year with hardened criminals are better fitted for a life of crime than they are for any line of work. From his wide experience Mr. Evans gave many illustrations of how young men trying to climb out of a life of crime were pushed back on every hand by lack of training and lack of aid of the proper kind.

Several musical numbers were included in the program, which were much enjoyed.

C. P. Moffitt gave a very helpful talk on how the Smith-Hughes act is operating and what it is planned to accomplish along vocational lines.

A large number of granges were served at both the morning and evening meals. The tables were artistically decorated with red and white clovers and they fairly groaned beneath the load of good things with which they were spread.

Surprise Party on Mrs. Satterstrom. A surprise party was given on Mrs. Emil Satterstrom Thursday afternoon by the Mission Ladies' Aid society. The occasion was planned as an appreciation of many years of faithful work as treasurer for the Aid society. About 40 members were present. A purse of money was given Mrs. Satterstrom with instructions to purchase any article which she desired as a gift from the society. A short program was given after which refreshments were served.

The Gresham Giants will play the Eastern and Western Lumber Co. at the ball park in Zenith addition next Sunday afternoon at 3 p. m. A good game is assured.

GOOD VOTE CAST. MISS PHILLIPS IN LEAD

Although each candidate for 4th of July queen received a good vote since the last count, the order was not changed. The firemen's candidate, Miss Opal Phillips, still leads with 19,310 votes to her credit or a gain of 2300 over the last count.

The Red Cross candidates received the largest number of votes this week making a gain of 5,230 votes and bringing the total count up to 16,540 or less than 3000 votes behind the leader.

Miss Winifred St. Clair now has 8,010 votes. She is the Methodist choir candidate.

LaVerne Maulding, the high school candidate, received 1350 votes this week. She now has 3180 votes. Miss Gertrude Brugger received an additional 1000 votes this week making 2000 votes to her credit. She represents the Gresham Poultry club.

Large signs on the main streets leading into Gresham tell of the large plans which are under way for the big American Legion celebration. Interest increases as the time draws nearer. A. L. men are as busy as can be getting all of their plans in line for the biggest celebration Gresham has ever known.

The queen contest closes Saturday night, June 26, at midnight, with auction of votes and big street dance on Main street, Gresham. Music by Jazz orchestra.

HOMER GOSSETT WEDS MISS MARY CATHEY

A pretty wedding was solemnized Wednesday evening at 8 o'clock at the home of Mr. and Mrs. D. M. Cathey when their daughter, Mary, was united in marriage to Homer Gossett.

The ceremony was solemnized by Rev. S. G. Roper who until recently was pastor of the Free Methodist church here.

The bride was tastefully gowned in white and wore a corsage bouquet of white sweet peas.

Pink roses formed the predominant note in the color scheme which was artistically carried out. A white wedding bell suspended by garlands hung in the center of the living room and it was here that the ceremony was performed.

After the congratulations and good wishes showered on the happy couple dainty refreshments were served.

Mr. and Mrs. Gossett left immediately for a short wedding trip. On their return they will make their home with Mr. and Mrs. D. M. Cathey for a short time.

Only a few friends and near relatives were present, they were as follows: Mrs. E. L. Powers, of Sandy; Mrs. L. Nute, Mrs. Edith Cooper, Mr. Steelhammer and Miss Elizabeth Gossett of Portland, Mr. and Mrs. S. C. Jones and son Halle, Guy Jones, Jackson Jones and wife, Mr. and Mrs. Russell Akin and children, Mr. and Mrs. Clarence Cathey and son, J. Andre, Mr. and Mrs. Carl Cunningham, W. G. Cathey and Rev. S. G. Roper.

Mrs. Gossett is well known in Gresham where she has grown to womanhood. She attended the Gresham schools. For the past few years she has been the very efficient assistant in S. B. Hall's office where she made many friends.

Mr. Gossett is also well known in Gresham where he graduated from the Union High school a few years ago.

NEW MACHINERY IS ADDED AT CANNERY

The A. Rupert Co. plant here has commenced the season's work. They are now working on strawberries but the wet weather has held the berries back.

There are between 50 and 60 persons working at the cannery about 10 or 12 of whom are men and boys who handle the processing and run the machines.

A new line of machines has been installed which has a capacity of 40,000 number 2 or 2 1/2 size cans. At the present time most of the strawberries are being packed in number two cans.

After the berries are received and weighed they are sorted into the various grades and are stemmed. These berries are then carried to the washing and packing tables where they are washed free from sand and dirt. The wet weather has caused the berries to be much dirtier than usual and a great deal more care is required in handling them than in drier seasons. Large trays, perforated, are used to wash the berries. The trays being arranged to lower into the clear water. After washing, the berries are then packed into cans. Each can is packed while on a balance scale and each weighs exactly the same.

After the berries are packed they are placed on large trays and are piled one tray on top of another until the machines are ready. After a can of berries reaches this stage it is only a few minutes until it comes out ready for the label and the market.

Every kind of labor saving device has been installed and after the cans are packed they are handled entirely by machine until they are lifted onto trays ready for storing. The cans are fed into a machine which gives them a steam bath for several minutes. At present they are fed by hand and the syrup is added by hand from a hose attached to the syrup tanks overhead. A machine for measuring the amount of syrup will be installed soon which will insure that exactly the right amount of syrup will be placed in each can and that there will be no waste from spilling and spilling.

At present the cans are started on their journey through the hot steams bath and come out about 2 1/2 minutes later hot and steaming. The fruit then passes through the sealer. An arrangement is made by which a small press comes down on the top of each can pressing the contents down to the level of the top. The cans then move on by machine under the sealing machine where the tops are sealed even before.

The Rupert company owns eight plants and are doing a large business. An illustration of the amount of business that is being done is the fact that at an average price of \$22 per 100 the Rupert company will use \$770,000 worth of sugar alone. The high price which is being paid for fruit and labor makes the total investment large. Joseph Fisher, the manager of the Gresham cannery, is enthusiastic over his work. He says the Rupert company plan to make this one of the large canneries of their group.

Mr. Fisher expects that the cannery will handle on an average of 25,000 cans per day during cherry, and raspberry season. The plant will probably handle as many as 30,000 or 35,000 in a day but they will probably not reach that average this summer. By operating both lines of machines at the same time about 60,000 cans in 10 hours. This would allow for but little delay but it does prove that the cannery can care for the fruit this year in an even more efficient manner than before.

It is urged that preparations for the parade be made by individuals, firms, and societies early and all be in readiness earlier than is usual for such events.

Admission to the grounds will be free, a small charge being made for the races. Ample provision will be made for parking autos.

ANNUAL CONVENTION OF A. L. TO MEET AT ASTORIA

To make the second annual convention of the American Legion for the Department of Oregon, the greatest event in the Northwest for ex-service men since the war, is the intention of the committee on arrangements which is busily engaged in outlining the program for the important event.

Astoria is the city which secured the honor of entertaining the delegates and their friends and the dates are Friday, Saturday and Sunday, July 30-31 and August 1. Clatsop Post No. 12, which on account of its activity in connection with combating bolshevism has become widely known through the "buddies" will be entertained as they have "never been entertained before".

According to the present arrangements that are being made, the ex-service men and their friends will gather in Portland on Thursday, July 29 and board a special train that will leave in the afternoon for Astoria. The train will arrive in the convention city about 5 o'clock where the visitors will be received and assigned to quarters. The entertainment features will start the same evening, among which will be a big free dance on the streets, music to be furnished by a 20-piece concert band.

The convention will open on Friday morning with an address by Governor Ben W. Olcott. It is expected that the National Commander, Franklin D'Olier, will also be present to address the ex-service men. The Astoria Theater, has been secured in which to hold the convention.

One of the entertainment features of the three days' gathering will be the big salmon barbecue and arrangements are being made to seat at least 1,000 ex-service men at one mess table. E. T. Gooch, chairman of the committee having this affair in charge has adopted the slogan, "Hit that old mess line, Buddy", and will insist that all line up as in days of yore, for the big feed. The big line of blue mess call and the long line of American Legion members will wind through the streets to the scene of the banquet.

Friday evening, July 30, has been set aside for the annual American Legion convention ball, which promises to be one of the most brilliant affairs of the kind ever staged in the city.

The convention will adjourn long enough on Saturday afternoon for the delegates and visitors to participate in the big historical and patriotic parade. Prizes will be offered for the post in the state having the largest number of members in line in proportion to membership. Many floats and interesting features are planned for the pageant.

Sunday, August 1, will be spent at Seaside where the citizens of that progressive beach resort will serve a clam feed to the delegates and visitors. In the evening will be staged the spectacular pyrotechnical display depicting the "Battle of the Algonquin".

HIGH SCHOOL VOTE TOMORROW

Tomorrow, Saturday, June 19, two school districts will vote on uniting with union high district number two. The districts are, Cottrell District No. 107 and Union No. 26, both of Clackamas county. The union high district will vote on the admission of these two districts. The voting for the union high district will be at the clerk's office at Bank of Gresham, between the hours of 3 and 9 p. m. The other districts will vote at their respective schoolhouses at hour set by the directors.

I will tutor students in science, mathematics, and grade subjects. An opportunity for you, boys and girls, to make up work in subjects in which you failed. MARY E. GOOD.

MISS BESSIE STREBIN WEDS PORTLANDER

A pretty home wedding of interest to many people in and near Gresham occurred Wednesday evening at the home of the bride's mother, Mrs. Olive Strebin, when her daughter, Bessie, became the bride of Joseph Schneider of Portland.

The marriage was solemnized at 8 p. m. in the presence of a few friends and relatives, Rev. Earl B. Cotton officiating.

The bride was attractively gowned in white and carried pink sweet peas. There were no attendants. The ceremony was performed under an arch of pink roses. Pink roses were attractively arranged throughout the house and formed the keynote for all the decorations. After the ceremony delicious refreshments were served.

Mr. and Mrs. Schneider are away on a honeymoon trip to the coast and will later go to Puget Sound and eastern Oregon. They expect to be home about July 1st.

Mr. Schneider at present is traveling salesman for the White Automobile company in Portland. He spends a greater share of his time traveling throughout the state. He expects to go into business for himself in the near future.

For the summer Mrs. Schneider will make her home with her mother. Mrs. Schneider is one of Multnomah's most popular and efficient teachers. For the past few years she has been in charge of Terry school or the No. 8 district school. As Bessie Strebin she was a popular member of the Cedar school where she took the eighth grade work, and of the Gresham High school where she graduated.

Many friends will join to wish the young couple a long and happy life. Guests who were present were, Mrs. Anna Schneider, mother of the groom, Miss Frances Schneider, Miss Anna Schneider, his sisters, Edmond Schneider, a brother, and John Schneider, a nephew, Mrs. Olive Strebin, mother of the bride, Miss Jennie Strebin, sister, Robert Strebin, Mr. and Mrs. John Strebin and children, Miss Emma Koch, Starl Warrington, Carol McCreary, Dr. J. H. Montgomery of Portland, and Rev. Earl B. Cotton.

VICTIMS OF ACCIDENT BURIED WEDNESDAY

The Methodist church was filled Wednesday afternoon with friends and relatives who gathered to pay their last respects to Mr. and Mrs. Allen Tiller who were killed in the terrible accident at the Bull Run crossing on Main street last Saturday evening.

Rev. R. E. Myers read the scripture lesson and Dr. A. Thompson gave the funeral address. Dr. Thompson's address was filled with a message of hope and he urged all to rest on the promises of eternal life.

Pallbearers for Allen Tiller were Russell Wilson, William Pelton, Richard Knarr, John McGinnis, Harold Crawford, and Ted Guntley. Pallbearers for Mrs. Tiller were Fred Jennings, Harry Jennings, Clarence Parsons, J. Fox, Fisher Jennings and D. Jennings.

Both caskets were covered with beautiful floral pieces and many other flowers covered the altar and filled the front of the church.

A long line of automobiles followed the two hearses to the Douglas cemetery where the bodies were buried side by side.

Sympathy is being expressed on every hand for the two bereaved mothers and their families.

FIVE GREAT PARADES NEXT WEEK, PORTLAND

Next week will be a week of weeks in the Rose city. Starting with Sunday and closing with Friday night every day will be replete with thrills.

The high points for out-of-town visitors will be the big parade features in connection with the Shrine convention and Rose Festival as follows:

Tuesday.
Daylight Shrine parade, 9 a. m.
Portland Electric parade at 8 p. m.

Wednesday.
Night Shrine parade at 8 p. m.
Thursday.
Rose Decorated Vehicle parade, 3 p. m.

Friday.
Repetition of Electrical parade 8 p. m.

Those who are intending to attend any of these events had better secure standing room early somewhere within a few blocks of the line of parade. It is advised that out-of-town people view the electrical parade on Friday night rather than Tuesday night as the city will not be so crowded with guests at the later time.

Card of Thanks.
We wish to express our thanks to our many friends for their kindness and help during the sad bereavement and loss of our daughter and son, also for the many beautiful floral offerings. Mrs. J. Hamlin and Family, Mrs. M. J. Tiller and Family.
