CLUB CHILDREN LEAVE FOR O. A. C.

A number of local boys and girls are attending summer school at O. A. C. this week and next as a reward for winning first place at the state fair last fall. They left Sunday and Monday for Corvallis.

Those going from districts near Gresham are the Oregon state canning team from Powell Valley, Amy Gustafson and Lillie Nelson. Etta Anderson the third member of the team is ill and cannot attend this week. Lillie Biberg, who won first place in sewing, is another girl from this county who is attending. Grant McMillan and Albert Zinger of Lynch and James Grubbs of Parkrose are the boys who won the two weeks at the O. A. C. school.

Arthur Bliss and Adolph Zinger are also attending but at their own expense. Herbert Eling of Gresham will attend next week.

This promises to be the largest summer school that has ever been given. The attendance is much larger. Some of the clubs gave entertainments and bake sales to raise money to send one of their members to the school.

The children are given a very enjoyable outing as well as a very helpful course of lectures on various subjects. Parties, picnics and all sorts of good times are enjoyed after school hours, all under the proper supervision of the teachers and leaders.
