CIVIC PRIDE

"Birds of a feather, flock together"
At eve they homeward fly,
Beneath their wings are all the things
They flew from home to buy.

They've found a nest here with the rest,
But live self-satisfied.
A selfish breed that pays no heed
To Local Civic Pride.

A Banking System that has Helped to Revolutionize the Business of Farming.

The operations of the Federal Reserve System are especially favorable to the farmer. His borrowings to cover cost of fertilizing, planting, harvesting, and carrying his crop can be rediscounted by this bank with the Federal Reserve Bank and an abundant supply of credit at moderate rate thus assured.

This bank realizes to the full the vital importance of the farmer's work and is genuinely desirous of extending to the farmers of this community the benefits resulting from its membership in the Federal Reserve System.
