

SANDY BLUFF

Mr. and Mrs. Stillman Andrews and family returned last week from a trip by auto to Bend and Klamath Falls, visiting friends and relatives. They report a most enjoyable time. Mr. Thorsen sold his six-acre tract for \$2300. Geo. Beers was the agent. Mr. Thorsen went to Portland for a few days after which he expects to go east. Mr. and Mrs. Byron are spending a few days on their little place at Cottrell.

PLEASANT HOME

At the Methodist church Sunday the pastor, Rev. Earl B. Cotton, will speak on the "Social Center Parish Plan" or a continuation of the report of the rural pastor's conference. Sunday school will meet at the usual hour. Mrs. M. J. Chappelle and little son have gone to Eugene to visit the former's mother for a few weeks. Mr. Chappelle is working in the harvest fields in eastern Oregon.

MELROSE AND VICTORY

Miss Mabel Wood left Thursday morning for Ione, Oregon, where she will spend several weeks. Robert Kerslake had the misfortune to have his hand severely injured by the hay fork rope last Monday. One of the bones is injured but it is thought that injury will not prove permanent although it will be some time before he can use his hand again. Robert's greatest anxiety is that he may lose out in the Bible contest now on at the Iiff Sunday school. He has been one of the speediest pupils in finding verses and he feels greatly handicapped with his right arm in a sling. Rev. and Mrs. J. H. Wood returned home Wednesday evening from Seattle where they visited for the past ten days. Both are greatly improved in health from their stay on the Sound. Sunday school will meet as usual next Sunday afternoon at 3 o'clock. This Sunday will close the contest for the verse-finding contest which has been in progress during the past ten Sundays. The accounts will be checked up and the winner of the contest announced. Everybody should be on hand to add to their record.

A dance will be given at Fairview, Saturday eve, July 31. Door prize will be presented. 43

The Spiritualist camp meeting will open July 25th and continue its various meetings until August 22d. Mediums and speakers from all over the United States and Canada. All phases of the cult will be demonstrated. This season promises to be the greatest ever held on the coast.—Adv.

POWELL VALLEY

The Luther League will hold their regular business meeting Sunday, August 1st. A program will be given and all necessary business attended to. All are invited to attend.

The Mission young people will hold their regular services Saturday evening, July 31. All are invited. The Luther League is planning to give an ice cream social at the church Saturday evening, August 7. A program is being arranged and a pleasant evening is anticipated.

Mrs. A. J. Gardner from Seattle has been visiting her sister, Mrs. Karl J. Hagberg for the past two weeks. Mr. Hagberg's sister, Mrs. Hulda Lindahl of Duluth, Minnesota, is spending the summer here.

Guests at the home of Mr. and Mrs. John Palmblad last Wednesday were M. Johnson of Portland, his daughter, Mrs. Lillie Serven and daughter, also Mrs. Caspersen, all of Portland. With the party were Mr. and Mrs. Andrew Erickson, who recently motored to Portland from California.

Mr. and Mrs. David Palmblad, Mr. and Mrs. Paul Palmblad and Miss Esther Nelson of Oak Grove spent Wednesday evening visiting at the John Palmblad and Chas. Unis homes. They had just returned from the grocer's picnic at Bonneville.

Svea Lundblom, who was so seriously injured when she fell under a disc some weeks ago, is now able to spend part of each day sitting out of doors. Her many friends are happy to learn that she is so far on the road to recovery.

TROUTDALE

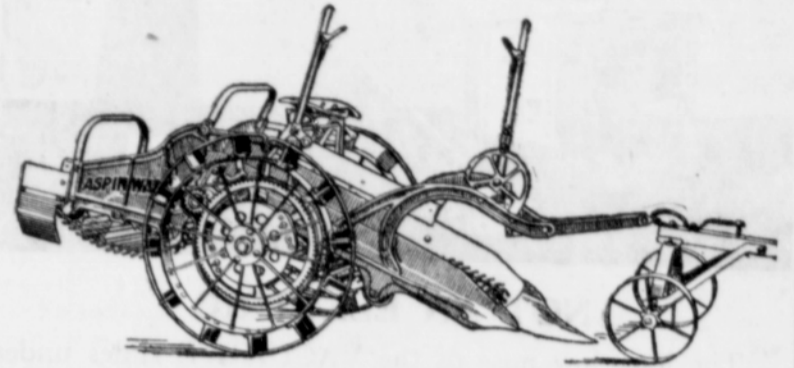

The Social Center Parish plan will be the subject of the evening address at the Methodist church next Sunday evening. This will be a continuation of the report of the rural pastor's conference.

THE toughening of the rubber by the Prodim Process makes Republic Tires last longer.

It makes the fabric stand up better; it makes the Staggard Studs immune from chips and cuts that cause so much premature destruction of tire life.

Republic Tires are better tires to buy because of their bigger economy and service.

COME EARLY

When the train came in back in 1910

TEN years ago you might have seen one or two automobiles waiting outside the station, when the weather was pleasant.

Today the square is crowded with them. And most of the cars you generally see there are moderate-price cars.

Anybody who tells you that owners of moderate-price cars are not interested in the quality of their tires has never met very many of them.

We come in contact with the small car owner every day and we have found that he is just as much interested as the big car owner.

There is one tire, at least, that makes no distinction between small cars and large cars so far as quality is concerned—the U. S. Tire.

Every U. S. Tire is just like every other in quality—the best its builders know how to build.

Whatever the size of your car, the service you get out of U. S. Tires is the same. It isn't the car, but the man who owns the car, that sets the standard to which U. S. tires are made.

We feel the same way about it. That's why we represent U. S. Tires in this community.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U.S. Royal Cords.
