

Bank Service While Traveling

WHERE you're known, your checkbook is the sign of your credit at the bank. Where you're unknown, AMERICAN EXPRESS TRAVELERS CHEQUES establish for you a similar credit.

Wherever you go—at home or abroad—they are as good as gold. You sign them at our bank when you buy them; you countersign them when you spend them. The signatures identify you.

The value of lost or stolen uncountersigned Cheques is refunded to you, upon filling out certain protective forms. The cost of this credit and insurance service is but 50¢ for each \$100.
