BORING AND VICINITY.

By RICA ANDERSON.
For a while the poor reporter was up Salt creek—in a pickle, so to speak. It seemed her time to quit had come. There wasn't a single solitary thing to report. But, it is a law that if one chews the pencil hard enough and stares into space far enough and scratches the head long enough—things are bound to happen. So, she chewed and stared and scratched and presently:

Miss Edith Anderson returned from a two weeks' visit at Astoria, bringing with her Miss Ruth Slotte and Mrs. Alexander Frederickson and granddaughter. The latter two are guests of Mrs. Eric Bartell. Miss Slotte is an expert swimmer in ponds like Young's bay or the Pacific. Miss Edith is perfectly at home in our swimming puddle in Deep creek (to negotiate a dive in 18 inches of water is some stunt). The girls are a good team and in perfect training. We look forward to an exhibition about next Sunday afternoon.

A marriage license was issued to Mrs. A. Revenue and August Hornacker of Sandy, last week.

"Roosevelt to trail Roosevelt out West" reads a headline in one of the dailies. Teddy the republican to follow Roosevelt the democrat. Can you beat it? The article further states that both will make a plea for the mobilization of former Mull Boosters. Those fellows bear watching.

We know that the chuck hole on Richard's hill has been given an unusual amount of advertising, but there is such an improvement there that it must be mentioned once more. Some one has pulled the peg out and has nailed a board over the hole.

We have stood for a tax on ice cream and for gasoline shortage but when the Portland city fathers begin to talk about exterminating "ear wigs" the worm turns. Glad that Mayor Baker has the proposition tabled. Probably he has a daughter of his own, and so, of course, he knows how precious are those ear puffs to the girls.

A great deal of concern has been felt for that couple back east that stood on the corners of three states—New Jersey, New York and Pennsylvania,—while their marriage rites were read. It will take Judge Stapleton to tell in which state they were really married. Possibly, some folks think such news is from beyond our territory. If so, please note the heading for this column—Boring and Vicinity. New Jersey properly comes under vicinity.

Miss Lillie Gran, who has been in San Francisco the last year, is home for the summer. She has not decided definitely on plans for the winter, but rather favors good old Oregon, although the "fog city" suits her well. Miss Ruth Gran was also home last week-end.

Now that haying and grain-cutting are over, and while waiting for the threshing to begin, farmers are improving the early morning hours raising goose flesh.

TROUTDALE

Luther's Ink Bottle" will be the topic of the Sunday evening sermon at the Methodist church Sunday evening. This is a continuation of the series on church history which the pastor, Rev. Earl B. Cotton, has been giving the past few weeks.

PLEASANT HOME

The Sunshine class of the M. E. Sunday school will give an ice cream social and program at the church Saturday evening of next week. The girls are busily arranging a program and it is hoped that everyone will assist them in the best way possible by being on hand at the social and bringing a friend.

The M. E. Ladies' Aid will meet at the home of Mrs. Grant Sloop Wednesday afternoon. Refreshments will be served. All members and friends are cordially invited to attend.

Mr. and Mrs. S. S. Morrison and Mr. and Mrs. W. E. Markell are enjoying their new Essex cars which arrived recently.

Mrs. I. N. Bradley, of Seattle, spent Wednesday with her sister, Mrs. Willis Markell. Mrs. Bradley is visiting her mother, Mrs. J. Manary.

Mrs. J. Collins and children Telma, Oelen, and Everett visited with her sister-in-law, Mrs. Archie Collins, at Bull Run one day this week.

Mrs. A. E. DeHaven has had the pleasure of entertaining for a few days a friend from Humbolt, Nebraska, Miss Gall Parsons. A day was spent on the highway, the hike being made to the Punch Bowl. Miss Parsons, who is touring the coast, is delighted with the Oregon scenery and climate.

Mrs. Freilin Cornutt, of Portland, and grandson Raymond Nygren are visiting with her daughter, Mrs. J. Collins.

Next Sunday, Rev. Earl B. Cotton will give another of his series on church history. The special topic will be "Luther's Ink Bottle." Mrs. William Edgar Gearhart will sing a solo. This promises to be one of the most interesting services held for some time. All are cordially invited to attend.

The fourth quarterly conference of the Pleasant Home charge will be held at the church Saturday evening. All officers are urged to attend and bring full reports.

"Bill" Hillyard returned home the first of the week. He is enjoying visiting the home folks and the neighbors. During his absence he has been kept posted on the local news by the Outlook. Some times he received as many as twenty Outlooks at one time.

POWELL VALLEY

Mr. and Mrs. Don Cresswell, their daughter Miss Ruth and their son Donald of Kennewick, Washington, have been visiting with Mrs. M. Nystrom and family. The Cresswells are on a camping trip through the Willamette valley.

Willie Carlstedt and Clarence Alm have been spending the week at Seaside.

Miss Hilma Truedson and Miss Betty Sandberg who are training at Emanuel hospital, attended the Mission meeting at the Lutheran church, Wednesday.

Mr. and Mrs. Hallie Christenson are spending their vacation at Crater Lake.

Wendel Danielson was a Portland visitor Wednesday.

Miss Marion Hagberg was the guest of Miss Soba Embry in Gresham, Sunday.

Miss Mary Christenson is spending her vacation at Bridal Veil with the Nordling family.

Mr. Leif, of Brush Prairie, was among the visitors who attended the Mission meeting at the Lutheran church, Wednesday.

The Mission meeting at the Lutheran church which closed Wednesday evening was a very helpful occasion with many sermons and discussions of interest. There was a large attendance Wednesday all day. Dinner was served at noon and in the evening another bountiful meal was provided. Rev. V. G. Ogren, Rev. A. V. Anderson from Portland, Rev. E. A. Larson, Rev. Theo. Janson of Astoria and Rev. B. S. Nystrom from Brush Prairie, Washington, were the visiting pastors. Rev. A. M. Green, of Portland, could not be present.

Mrs. Perry Kitzmiller and daughter, from Bonneville, are visiting with the former's mother-in-law, Mrs. S. R. Kitzmiller.

Card of Thanks.

We wish to express our thanks to the neighbors and friends for their help at the time of the death and burial of our mother, Mrs. Alice E. Taylor, for the use of automobiles, for the beautiful flowers and every expression of sympathy and helpfulness.

E. A. TAYLOR AND FAMILY.

KELSO

The work on the road between Kelso and Peterson corner is progressing. The road has been widened and scraped and will soon be ready for gravel. O. F. Striker from near Oregon City operates the county's big 75 h. p. tractor, with his son Dick Striker as assistant, while W. S. Gorbett of Colton is boss. All three are occupying Robert Jonsrud's cottage while working in this vicinity. This bit of road will be all ready for the highway—should the highway commission see fit to select the south route. At any rate the gravel road will look good to us this winter.

NOTICE OF MEETING OF COUNTY BOARD OF EQUALIZATION.

Notice is hereby given that on Monday, September 13, 1920, the Board of Equalization of Multnomah county will attend at the office of the County Assessor, at the Courthouse in Portland, and publicly examine the assessment rolls for the year 1920, and correct all errors in valuation, description or qualities of lands, lots or other property, assessed by the County Assessor. And it shall be the duty of persons interested to appear at the time and place appointed. If it shall appear to such Board of Equalization that there are any lands or lots or other property assessed twice, or incorrectly assessed as to description or quantity, and in the name of a person or persons not the owner thereof, or assessed under or beyond the actual cash value thereof, said Board may make proper correction of the same. If it shall appear to such Board that any land, lots or other property assessable by the Assessor are not assessed, such Board shall assess the same at the full cash value thereof.

HENRY E. REED,
County Assessor.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
