Oregon has a new world's champion Jersey cow, Jean Marigold of St. Mawes, which is on the farm of Robert L. Burkhardt near Albany. It has just tested 666.25 pounds of butterfat and more than 12,000 pounds of milk, the world's record for any cow 13 years or over.

Keep Your Batteries Young
The only tonic any battery needs is a little charging now and then. Square treatment and a drink of water once a week go a long way toward keeping it in tiptop shape. Ask Mr. Pugh at C. E. Osburn's garage.—Adv.

CORBETT

The meeting of Pomona grange held on Wednesday, September 15, was a very pleasant social affair. The forenoon session was taken up with business affairs. From 12 until two o'clock a royal chinook salmon dinner was served to nearly 200 members and guests. Master J. J. Johnson called the meeting to order and the time was then given to the lecturer, Mrs. Palmer, who introduced to the audience Esther Pohl Lovejoy, M. D., who spoke for about 45 minutes on her wonderful experiences overseas, which was enjoyed greatly by her hearers. Ray Gill explained several of the measures to be voted on at the coming election. And Miss Julia Spooner spoke briefly on the teachers tenure of office bill. In the evening a class of five were initiated into the mysteries of the fifth degree, followed by a very fine program. A piano solo by Ethel Smith Stewart, recitation by Deloras Morgan, vocal solo by Mrs. Ray Gill, song by Mr. and Mrs. Vanell Evans, pianologue by Mrs. Wilbur Evans, recitation by Mrs. Christenson and remarks by Mr. Bauerman of The Dalles.

Delayed Report.

The people of this community were saddened Friday, September 10, when the report came over the wire that Bennet Chamberlain was accidentally killed in Portland at Union and Burnside streets at 5:40 p. m. when he was run over by a truck driven by Frank Love, who said Bennet was his helper and that after pulling in on the side of Union avenue the boy had alighted to signal him in backing up to another truck. He had climbed up on the other truck and gave him the signal. Witnesses declared that the boy had fallen from the rear truck on his face on the pavement and before he could regain his feet the truck had caught him, killing him instantly. Bennet Hubert Chamberlain was the oldest son of Albert and Margaret Chamberlain and was born in this vicinity November 6, 1902, and at the age of 12 united with the church from which his funeral was held Sunday at 2 o'clock p. m. conducted by the Rev. Roscelle of The Dalles who preached an excellent and comforting sermon.

Floyd Reed's little son, Donald, had his finger badly mashed in a cider press recently.

Mr. and Mrs. Harmon and son, of Portland, were Sunday visitors at the Lewis Reed home.

Mrs. Fankhauser, of Sherwood, was the guest of Mr. and Mrs. St. Joseph Leland Saturday and Sunday.

Mrs. Rachel Bates, of Portland, and her brother, Mr. Morgan from Kansas, were recent visitors at the home of their niece, Mrs. T. L. Evans.

The fall fishing season opened Friday, September 10, and the local fishermen have been hauling them in from the water by the ton, but unfortunately the price is very low as the canneries are already overstocked.

Mrs. Ella Middleton, of Gresham, visited friends here recently.

PLEASANT HOME

Mr. and Mrs. G. H. Blackburn returned last week from an extended trip which took them almost across the United States from west to east along the northern border states and to the northern border states and home. When in Detroit Mr. and Mrs. Blackburn purchased a Ford in which they continued their journey home. They were away about nine months.

Miss Olive Shaw will teach the Dover school this year. She commenced her duties Monday. She and her niece, Miss Ardis Rich, have recently returned from the hop fields where they have been working. Miss Rich has entered the Union high school.

Mr. and Mrs. M. Lennartz visited on Sunday with their relatives, Mr. and Mrs. A. G. Schantlin and Mr. and Mrs. Fred Crane, Jr., at Rockwood.

Roy Rich, who has been critically ill with typhoid fever is reported to be slightly improved.

The Methodist Ladies' Aid will meet tomorrow afternoon, September 22, at the home of Mr. M. Lennartz. A special invitation has been extended to the women interested in the Cliff Sunday school to be present. The Ladies' Aid has ordered a stereopticon outfit for the purpose of stimulating regular attendance in the Sunday

school. Pupils holding tickets indicating attendance on four successive Sundays will be given free tickets to the illustrated lectures which will be given when the outfit arrives. It is hoped to begin the lectures about the middle of October.

Mr. and Mrs. Ed Keffer have both obtained work in Portland. Grandpa Keffer has rented the Stephens place and is living there and sending his grandson to school.

In spite of the showery weather last Friday evening the social at the Baptist church was a success. The amount of \$20 was added to the fund for the purchase of an instrument for the church as a result of the evening.

Mr. and Mrs. Brown were out from Portland Sunday visiting at their place.

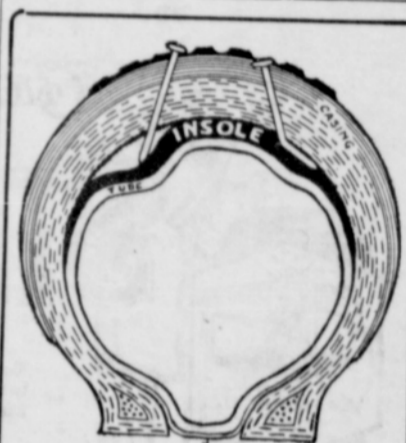

Miss Ida Chase is attending Monmouth Normal school.

Walter Sherwood and family, of Sherwood, drove over recently to visit relatives and took home a bountiful supply of fruit.

Mr. and Mrs. C. Altman, of Gresham, spent the day Friday visiting with the B. C. Altman family of Ingleside farm.

Pears are an abundant crop. Late potatoes are looking fine. Apple butter and canning corn are favorite topics with housewives these days.

An example of the extraordinary number of diversified woods grown in forests of the state is found in report of a forest examiner in this territory. In the Cascade national forest, within a distance of 12 miles he found 14 species of coniferous trees. They included western yellow pine, western white pine, sugar pine, lodgepole pine, knob cone pine, Douglas fir, western hemlock, incense cedar, western red cedar, Engelmann spruce, white fir, red fir, mountain hemlock and western yew.

Do You Get Your Tire Mileage You Want?

Have you not noticed that the majority of your tires blow out before they wear out? You wonder why. One of the principle reasons for all tire trouble can be traced to punctures which have a tendency to break down the side walls, rim cut and breaking of your rubber loose from your casing allowing water to enter and which in a short time ends the life of your tire long before it should.

Now stop those punctures and save money, time and worry. Investigate as others have the tire insole which is the one thing to date which has been successful in eliminating punctures and blow outs.

A few of our Gresham patrons: Brown's Market, Sanitary Market, Dr. H. V. Adix, K. A. Miller, Peter Lenard, City Bakery, Chas. Cleveland.

Write or phone and we will be glad to show these Tire Insoles.
