

Plays All Makes of Records, Does the STRADIVARA
KNOWN FOR TONE

Owners of the Master Musical Instrument—the Stradivara—are not limited in the records they can play. With this instrument you can have an unlimited selection, because the universal reproducer permits the playing of every make of record.

No need to purchase an instrument now that plays only its own records. The Stradivara has eliminated this. When you have a Stradivara the unlimited record libraries of the world's largest record makers—all of them—are at your service.

The Stradivara has a sound-board that makes it "Akin to Stradivari's violins."

There are no metallic, piercing or megaphonic tones.

Let Us Show You How Practical as a Real Instrument the STRADIVARA is

BORING

There will be church services at the Methodist church at 11 a. m. Sunday. Rev. C. A. Bristol will preach.

Road Supervisor Wheeler has finished the gravel bunkers back of Metzger's garage, and is ready for gravel.

The family that moved into W. R. Telford's house a few weeks ago, has moved again. Too wet a climate here.

The Duncan family has moved to Sandy, taking three children from the school. But Harry Crenshaw moved into the district bringing as many in.

The three teachers attended a meeting of the Clackamas County Teachers' association at West Linn last Saturday and reported a nice time.

The county club leader and county school supervisor visited the school for a few minutes last Thursday. The club leader was looking after exhibits for the livestock show. Two members of the "Grant club" will make exhibits. Poland Chinas by Lester Boring, and Chester Whites by Melville Richey.

The I. O. O. F. lodge met Tuesday evening. About 45 visitors from Oregon City, Sandy, and Estacada were present. After lodge, supper was served in the dining room. Eats are always enjoyed. Three weeks and three feeds are not bad.

The majority of the people from this section spent one or more days at the Multnomah county fair last week, the school taking Tuesday for its day.

Mr. and Mrs. L. H. Mallicoat and family visited with the former's brother in Portland, Sunday afternoon.

O. M. Richey was hauling a few sacks of feed home Wednesday. He says the road was so rough near the schoolhouse that he could not keep the sacks in his wagon box. Some are inclined to believe it, as he was seen driving back, gathering up his feed.

Henry Lunday and Lester Boring, two of last year's eighth grade class, are attending Washington high in Portland. They go on the 7:18 and return on the 4 o'clock car. It has been reported that they are leading their class. We are glad to hear that they are doing so well.

Weather tonight, rain; tomorrow, pour.

Wm. A. Morand is able to be out again after being confined to his bed for two weeks.

TROUTDALE

The Parent-Teacher circle met last Friday afternoon. It was decided to give a Halloween social as is the annual custom. A committee was appointed to arrange for it, and notices as to the time and place will be given later.

The Troutdale Ladies' Aid met with Mrs. Morris McGinnis Wednesday afternoon. There was a large attendance, and much business was transacted. The annual election of officers, postponed from September, was held, with the following result: president, Mrs. Wm. Crawford; vice president, Mrs. Herbert Bradley; secretary, Mrs. C. I. Thomas; treasurer, Mrs. Wm. Spence. Plans were discussed, and committees appointed for the annual bazaar early in December. A meeting is called for next Wednesday afternoon, October 20, at the church to finish the quilt. Mrs. McGinnis, assisted by Mrs. Spence and Mrs. Thomas, served a dainty lunch. The next regular meeting will be with Mrs. L. A. Harlow in her new home.

A neat exhibit of last year's school work in the lower grades is displayed at the schoolhouse. It was especially saved and prepared for exhibition at the county fair, and is a credit to both teacher and pupils.

Mr. and Mrs. N. P. Wallace left Saturday for Garibaldi, where their daughter, Mrs. Jack Kidder, resides. Mrs. Wallace left her house plants for the winter with Mrs. Grant in the primary room at school.

The True Blue class will hold its regular business meeting Friday evening, October 15th at the church.

Mrs. D. J. Hayes and Mrs. J. C. Standish, mother and sister of Mrs. D. H. Nash, left Wednesday for their home in Halsey, Oregon, after a visit at the Nash home here.

Preaching at 7:30 by Rev. Earl B. Cotton. The topic will be "The Temptations of Christ."

Mr. and Mrs. J. R. Knarr and Richard, accompanied by the Misses Mabel and Miriam Inglis of Gresham, made the trip to Hood River last Saturday over the Columbia river highway. They drove through the lower and upper Hood River valleys and returned home Sunday evening. They are enthusiastic over the beauties of the scenery, which are enhanced by gorgeous fall colorings.

CORBETT

The remains of Charles E. Hicks arrived here Friday from France, for final burial. Funeral services were held from the Corbett church Sunday, where a large concourse of friends had gathered to pay their last respects to one who had grown to manhood here and who was one of the first to enlist when President Wilson called for volunteers to help in the world's greatest war. After the armistice was signed and his mother was joyfully looking forward to her boy's return, a telegram came informing her of his death in France, he having died of pneumonia while in the service. The funeral sermon was preached by Rev. Murphy who took for his text Job 19:25, speaking words of comfort to the bereaved ones.

Joseph Crowston of Wardner, Idaho, is visiting his daughter, Mrs. Mary Hicks.

Rev. Mr. Murphy preached at Bridal Veil Sunday evening and will preach at the Corbett church next Sunday morning at 11 o'clock and in the evening at 7:30.

Mrs. Eva Reed Fox visited her mother here over the week-end.

Fred C. Reed was in Portland on business Monday.

CEDAR AND VICTORY

Next Wednesday evening, October 20 at 8:15 church will be given an interesting and educational stereopticon lecture. There are sixty-three pictures in this beautiful series, entitled "From Ocean to Ocean." These pictures are taken along the Canadian Pacific railway. Those who come will enjoy a rare treat.

The Parent-Teacher circle of Cedar school will meet at the schoolhouse on Saturday evening, October 16, at 8 o'clock. A program will be rendered and refreshments served.

FAIRVIEW

Church services will be held at 11 o'clock Sunday morning in the Methodist church with preaching by Marion Johnson.

FULLER PAINT

THE life, the value, the beauty of your home, depend on the care you give it. Weather-beaten and warped siding, cracks and open joints are forerunners of decay. Many property owners neglect to look for such signs, judging their houses and buildings by general appearances only.

It is good business to make regular inspection of your property, and to use paint of good quality, which is the surest preventive of decay.

Through the varying conditions of weather in all their extremes, FULLER Paint has proved both its preserving and beautifying qualities—a Pacific Coast Product for Pacific Coast requirements.

71 years of paint manufacturing experience are back of every brushful of FULLER Paint.

WHY THE ELECTRIC CLEANER?

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.

True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and a carpet beater will do the work after a fashion.

In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."

But people use soap because it cleans more easily and better than water alone.

For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
