A man about the size of a woman; barefooted with a pair of wooden shoes; pink eyes and sweet-colored hair, the latter cut curly and the former cut dark. He wore a hamburger overcoat with a hot dog lining and had an empty sack on his back containing a barrel of skylights and a dozen assorted railroad tunnels.

When last seen he was following Al Hammar with an empty shotgun loaded with birdshot. Get busy and win the reward.—Signed, W. H. Congdon.
