THE UNIVERSAL CAR

The Ford Sedan

AN all-weather car—this pretty thoroughly describes the FORD Sedan.

In rain or cold weather it is a cozy, comfortable, enclosed car; in warm weather, an ideal Touring car. The plate glass windows are raised or lowered in a minute's time. The Ford Sedan is always in accord with your wishes. Finely upholstered; equipped with electric starting and lighting system; demountable rims and tire carrier in rear; instrument board on dash; the Sedan is a car of convenience and class, and has proven a favorite family car. Yet the reliable Ford chassis and motor are a part of the Ford Sedan and that means low upkeep cost, ease of operation, and durability. The Ford Sedan is just as popular on the farm as in the city. It fits family needs everywhere.

Come in and see the Ford Sedan. If you want one, place your order now. Orders are filled in the same sequence they are received. Make us your Ford headquarters, as we are experts with the famous "Ford After-Service."

The Girl Reserves enjoyed their meeting Saturday afternoon immensely. Miss Winifred St. Clair, a sophomore at Willamette University, gave a wonderfully fine talk on the subject, "The dependable and sincere girl." Bickford, marched across the street to the Carrie Andrews nursery and held their class recitation in their own private room. They held the attendance record Sunday as every member of the class was present.

Come.
