PLEASANT HOME

The Methodist Ladies Aid society will hold its annual bazaar Friday, December 10th at the church. There will be a sale of fancy work and aprons and a number of other articles will be included among which are several beautiful quilt tops. The sale of these articles will commence at 3 p. m. The committee on arrangement for supper is planning a substantial meal from 4:30 to 8 p. m. Those who come in the afternoon will not need to plan for the

evening meal. A program will be given during the evening which will commence at 8:15 p. m. The main event of the evening's program will be a minstrel show by the girls of the Sunshine class. This is said to be a clever affair entirely different from anything they have attempted before. Other numbers on the program will be songs by the chorus, readings by Miss Iva TenEyke and Mrs. Alta Gentry, and solos by Miss Vada Bettis and Rev. Earl B. Cotton. There will be a special meeting of the M. E. Ladies' Aid society Wednesday at the home of Mrs. M. Lennartz. A full attendance is desired as this is the last meeting before the annual bazaar Friday.

PLEASANT VIEW

The lovely new home of Mr. and Mrs. Robert Larson was the scene of a happy gathering Saturday evening, December 4. About 130 friends and relatives assisted in the house warming and inspected all of the modern conveniences of the house which is quite the nicest in this vicinity. The evening was spent with games, music and dancing and at a late hour a bounteous lunch was served. The host and hostess were the recipients of a few lovely presents, and many good wishes from many friends.

POWELL VALLEY

In spite of the disagreeable weather the pie social at Powell Valley Friday evening was a grand success. Over \$40 were taken in from the sale of pies and coffee. A splendid program had been arranged by Mrs. Chas. Lundquist, chairman of the program committee and it was much enjoyed. It was voted to call a special community meeting for Saturday evening, December 11 at the schoolhouse to discuss the electric light situation for this district. It is thought that a general meeting of this sort will clear many difficulties out of the way for the men who will canvass the community to determine who will go in on the proposition. B. F. Howell, who has charge of the canvassing of the lower Powell Valley road, promised to have the road maps and as much authentic information at hand as possible.

The district's quota of health seals was disposed of at this meeting, everyone responding in a splendid manner. It was decided to hold the next Parent-Teacher meeting on De-

CEDAR AND VICTORY

The pie social which was given at the Cedar schoolhouse last Saturday evening was a success from both a financial and social standpoint. There was a good attendance and the pies sold well, the total amount received being more than \$20. This money will be used for the benefit of the school. Miss Marian Robertson sang two beautiful solos and an encore. Miss Robertson has a beautiful voice and her selections were very appropriate. Rev. Earl B. Cotton sang a solo in his usual pleasing manner and responded to an encore with a song which he said was especially for the children and which they enjoyed very much. Miss Ida Sester accompanied both Miss Robertson and Rev. Cotton, on the organ. Mrs. Alta Gentry gave two readings. A vote of thanks and an invitation to return was given those who assisted on the program.

The County Council of the Parent-Teacher association will meet with the Cedar association Saturday, December 18.

The names of the children who are on the honor roll in Victory school are Crichton Burns, Crystal Hayden, Harlan Hayden, Monta Splawn, Alton Splawn, Everett Wood, Margaret Kerslake, Lawrence Douthit, Floyd Stafford, Percy Carlson and Edna Wood.
