Callers at the St. Clair home on Sunday were Mr. and Mrs. Eugene Gross, son and daughter, Mr. and Mrs. E. T. Cheney of Portland. Both families were from Mr. St. Clair's former home in Illinois. The Gross family came last fall by automobile from Marengo, Illinois, and reported a most delightful trip. They have bought property in Portland and will make their home there.

The Gresham Ladies' Aid society has arranged with Mr. Lewis, who gave a wonderful illustrated lecture on Alaska last winter, to put on his new lecture, "Alaska Marvels in Motion," at the Methodist church next Monday evening. Mr. Lewis' lecture is of a high class and will be illustrated with motion pictures. He has booked more than 70 dates for his lecture in the schools and churches of Portland and vicinity.

Douard Atterbury has joined the army.

The Outlook force has been hard hit during the past week or two. H. L. St. Clair has been confined to his home for several days with a persistent throat trouble. Mrs. St. Clair was at home all of last week caring for her daughter, Mildred. Mrs. Alta Gentry devoted her entire time, from Friday afternoon to Tuesday morning to the care of her little son, Russell. Several other members of the force are fighting off the prevailing "distemper" and seem in a fair way to win in the fight. It is a satisfaction to note that the sick ones are all improving.

EXPRESS COMPANY HELPS EUROPEAN RELIEF

Among the numerous agencies throughout the country cooperating with Herbert Hoover, chairman of the European Relief Council, in his effort to raise \$33,000,000 by means of a national collection for the relief of incipient starvation among 3,500,000 children in the war-stricken countries of central and eastern Europe are the American Express company and the American Railway Express company.

Through the authorization of G. C. Taylor, president of both organizations, "Invisible Guest" certificates, certifying that the purchaser has salvaged the life of one or more of the little war victims, have been placed on sale at 25,000 of the company's offices throughout the United States. The cost of saving one child until the acute condition has been relieved by the next European harvest is \$10, but donations of smaller sums are welcome, and a contribution of only \$1, under the economical administration of the Council, will keep life in a little body for a month.

The European Relief Council is an amalgamation of the American Friends Service Committee, American Red Cross, American Relief Administration, Federal Council of the Church of Christ in America, Jewish Joint Distribution Committee, Knights of Columbus, Y. M. C. A. and the Y. W. C. A., formed by Mr. Hoover for the elimination of duplicate effort in ministering to the starving children, to the end that the last penny of every dollar contributed might reach a hungry child in the form of food or medical service.

"Invisible Guest" certificates, which can be purchased for any amount from \$1 up, are on sale at the local office of the American Railway Express company.

J. V. Cogswell, agent at the Linnemann and Mt. Hood depot in Gresham, called the Outlook's attention to this work and he will mail receipts at his own expense for all donations received by him. The subscriptions may be mailed.

Regular meeting of Gresham Lodge No. 125, I.O.O.F., in the Odd Fellows hall, every Thursday evening. Work in the initiatory degree. Visitors welcome.
