Entered as second-class matter March 3, 1911, at the Postoffice at Gresham, Oregon, under the Act of March 3, 1879.

JUSTICE'S OFFICE POORLY PAID.

John Brown, as justice of the peace for Multnomah district, was denied his petition to the county commissioners for a salary of \$100 a month additional to fees for maintenance of his office.

It must be admitted by anyone who will look into the matter that no justice can afford to spend not only hours of time but often days on a small case and then get a fee of only a dollar or so.

A measure, Senate Bill No. 70, is before the state legislature proposing to extend the municipal government of Portland to cover the entire present county of Multnomah.

It is not a reasonable notion that city government can be made to apply in a practicable way to farming communities, and to forest and mountain wilderness.

The ex-service men of Post No. 20 American Legion are to be congratulated on securing club rooms, well located and equipped in Gresham.

Extensive alterations have been made at our First and Alder Streets Passenger Station and much better accommodations have been provided for our patrons.
