A saving of \$3,775 on inoculation of seed for 2500 acres of alfalfa in Lake county was made by purchase of O. A. C. cultures through the county agent, W. L. Teutsch. Bought at commercial rates the cultures would have cost \$4,400, while the actual cost was only \$625.

## GRESHAM LOCALS

Gus Dahl, or a man giving that name was picked up in Gresham Monday and sent to Portland to be examined as to his sanity. He did no harm but caused considerable alarm by his wandering talk and the fact that he had no knowledge of where he had been or where he was going. He said that he had come from Montana yesterday. No word has been learned as to the verdict of the Portland authorities.

Mrs. C. Atterbury and her children Gerald, Leroy, Gilbert and Charles have been ill with chicken pox but are now improving.

Mr. and Mrs. W. R. Kern entertained at dinner on Sunday Mr. and Mrs. Clarence Matthews.

Miss Good's class of the Methodist Episcopal Sunday school enjoyed a party on Friday evening at the home of Miss Esther Peterson.

Mrs. J. O. Stewart of St. Paul, Minnesota, is visiting with her brother, R. F. Walters and wife. Mrs. Stewart has spent several months in California and is now on her return trip.

Mrs. Jas. Elkington was hostess yesterday afternoon to a delightful costume party of ladies and gentlemen (?). The afternoon was passed in games and surprising stunts and a delicious luncheon was served by the hostess. Costume prizes were awarded Mrs. C. M. Zimmerman and Mrs. Frank Peak. Mrs. Elkington was assisted by Mrs. O. A. Eastman, Mrs. W. A. Hessel and Miss Gertrude Eastman.

A strange young man has been "working" Gresham poultrymen within the past few days by soliciting orders for horseradish and hominy and taking in exchange fresh eggs for an alleged sick mother. Some have let their fresh eggs go on his promise and are vainly waiting for the horse radish and hominy. It is said that the same scheme has been tried at around Oregon City.

Hon. Milton A. Miller will be the speaker at the Wednesday Study club March 2 at the Gresham library. This will be an open meeting to which the public is invited. Mr. Miller's subject will be the adoption of the constitution of the United States.

Mr. and Mrs. Floyd Metzger, of Portland, spent the week-end with the former's parents, Mr. and Mrs. John Metzger.

Mrs. R. W. Gibbs and Mr. and Mrs. Ralph Davidson and son are spending a short time at Seaside. They made the trip by automobile and report a lovely trip and pleasant weather.

The Multnomah and Clackamas Mutual Telephone company have improved the appearance of their office by the addition of attractive window hangings and a number of potted plants.

The Odd Fellow and Rebekah lodges will charter a car to go to Estacada on Saturday, March 12, to visit with two lodges at that place. All Odd Fellows and Rebekahs are invited to attend. An estimate of the number going is desired and all those who desire to join the party should notify Mrs. Olive Ekstrom or Roy H. Gibbs as early as possible.

Mr. and Mrs. Ernest Thompson and baby daughter Emalie and Mrs. Thompson's mother, Mrs. Sebring, were guests of Dr. and Mrs. A. Thompson over the week-end. They left today for their home at The Dalles where Mr. Thompson is engaged in the automobile business.

Mrs. Ruth Macho is visiting with her parents, Mr. and Mrs. Greg Cox.

Dr. A. F. Homme of Minneapolis, Minnesota, spent Saturday and Sunday with J. G. Mast and family. They all had a very delightful trip to Hood River Sunday in spite of the rain.

William and Elvis Stockton, brothers of Claude Stockton, arrived here Saturday morning from an extended trapping and hunting trip.

Mrs. Geo. Leslie and Mrs. Ida Williams spent the week-end with Mrs. Geo. Lusted of the Lusted neighborhood.

The Gresham sewing club division III sold popcorn balls last week on Wednesday at the grade school and cleared \$9.35. This money is being raised to establish a fund to send a delegate to the boys' and girls' O. A. C. summer school.

The children, young and old, will have a great treat tomorrow night in the Jack-Knife Man at the picture show. The principal character is a fine old man who made toys for the children of his neighborhood. He lived in a houseboat on the Mississippi river. The manager of a New York toy store discovered him and hired him to make toys for their store. It is a great human interest story with fine points that appeal to all.

THE UNIVERSAL CAR

The Ford One-Ton Truck

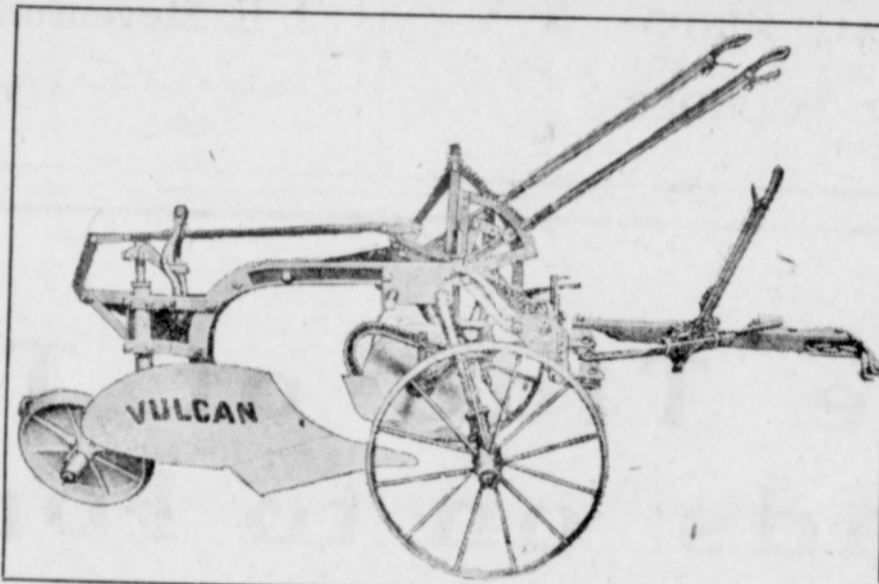

AS a matter of fact we might almost as well call it a Three-Ton Truck, for it very rarely carries a smaller sized load. The owners of the Ford truck take advantage of the high qualities of materials which are known to be put in the Ford car, take advantage of the high quality of Ford workmanship which characterizes Ford cars and they overload to the limit. Well, the Ford truck has never broken down with any of these overloads. It delivers expectations and double expectations, so far as carrying capacity is concerned, and while that is not fair to the truck, still the owners are satisfied.

But the Ford one-ton truck, with its aluminum bronze worm drive, its greater weight and strength of frame and its incomparable power plant, is without a reasonable competitor in price, in service, in cost of operation. It is the lowest priced truck on the market, of equal capacity. No other truck on the market operates so economically and we believe there is no other truck that will give as satisfactory and profitable results. Our allotment is limited. Better leave your order without delay.
