

MORE MILES FOR LESS MONEY

How far is it from London to Honolulu via the Panama Canal? About 7000 Miles!

Perfection Asbestos Protected Tires travel that many miles and more in many instances, because the tread rubber adheres to the carcass until it is worn out by road use, making them dependable and a real pleasure to motorists.

Having the Asbestos protection THEY ARE NOT AFFECTED by friction heat, moisture, oils, greases or gases. Having these qualities they are worthy of a trial.

Mrs. Anthony left Thursday for Bakersfield, Arkansas, where she will join her husband who is already there managing a large farm which they recently purchased.

Twenty-two friends and relatives of Mrs. S. J. Bennison surprised her last week with a birthday party which proved to be a reunion of old friends, many of whom had not met for several years. Everyone had a lovely time.

Georgia Stapleton and Leona Bailey were dinner guests last night of Doris Zimmerman in honor of the latter's birthday.

"Holly Berry Farm" on Cleveland avenue has recently been sold by Chas. Delfel to Thomas McKinney, who came here a few months ago from Corvallis, Montana, to look for a location. At that time he concluded to look further and has been in various parts of Washington, Oregon and California. He is now convinced that the Gresham berry farm section is ideal for his purpose. Mr. McKinney is a brother-in-law of Mrs. S. J. Bennison.

Mrs. L. T. Lusted, who sold her property here last fall and moved to Portland, has disposed of her Portland home and has returned to Gresham to live. Mrs. Lusted and her daughter, Miss Inez Lusted, are living temporarily in Mrs. Mary Stubbs' cottage on Main street. FORGET-ME-NOTS.

Forget the slander you have heard.
Forget the hasty unkind word.
Forget the quarrel, and the cause,
Forget the whole affair, because
Forgetting is the only way.
Forget the storms of yesterday.
Forget the chap whose sour face
Forgets to smile in any place;
Forget the trials you have had.
Forget the weather if it's bad.
Forget the "knocker"—he's a
freak;
Forget him seven days a week;
Forget the gray streaks in your
hair;
Forget the home team lost the
game.
Forget the pitcher was to blame;
Forget the coffee when it's cold.
Forget the kick, forget the scold;
Forget the plumber's awful
charge;
Forget the iceman's bill is large;
Forget the coal man and his ways;
Forget the frost in winter days;
Forget, wherever you may roam,
Forget the duck who wrote the
poem.
Forget that he, in social bliss,
Forgot himself when he wrote this,
Forget you ever get the blues.
But DON'T forget to pay your dues.

These are the new spring hat days. Easter comes this month, too.

has in it the staying, weather-resisting properties that give a house protection. It has wonderful covering power, it holds its color and it everlastingly sticks to its job. It is real insurance. It insures protection from the elements; it insures value in your property; it insures beauty and distinction.
