A charming affair of the week-end was a party on Saturday afternoon at which the engagement was announced of Miss Mildred St. Clair to Ben H. Davies of Grey Eagle, Minnesota. The afternoon was spent in games and fancy work. Refreshments of pineapple parfait and French pastry were served. Lusted School Notes.

The pupils of Lusted school are planning to celebrate May Day with appropriate exercises. There will be a may queen, prime minister, attendants, and a court jester. Loyal subjects will wind the May pole before their queen. Many other mysterious "stunts" are promised for Her Majesty's pleasure on that day. Louise Quay, of the sixth grade, has been chosen queen. Her attendants will be two little first grade girls, Ruby Felt and Helen Williams. Robert White, of the fifth grade will act as prime minister, and Ivan Wood will be court jester to furnish merriment for Her Royal Highness.

The county council of Parent-Teachers association, will be entertained Saturday, April 16, at the Pleasant Home Baptist church by the Lusted circle. All members and their friends are urged to be present. The program will start at 11 o'clock and lunch will be served at noon. Those coming are requested to bring sandwiches, the rest of the lunch being furnished by the home circle. Don't forget the time, place, date and last but not least the "eats".

The Lusted Parent-Teacher association met at the schoolhouse last Friday night. A short business meeting was held at which it was decided to give a play and a shadow social. The proceeds of the play and social will be turned over to the Chinese relief fund. The quota for the district is \$78. After the business was over the meeting was turned over to the Farm Bureau people. A fine lunch was served by the refreshment committee after the meeting.

It is reported that Miss Carolene Tallman, principal of the school, will not teach next year but plans to attend Willamette University. While her friends regret losing her from the community, for a time, they rejoice at her opportunity and wish her the best of success.

Vacuette Suction Sweeper

is not an electric cleaner. It is an "every day" sweeper because it requires no wires, or plugs or connections. You just grasp the handle and clean from room to room thoroughly without further bother.

The long, tapering "nose" slides conveniently under beds, radiators and heavy furniture.

All that is best in electric cleaners—all the easy convenience of the ordinary carpet sweeper—that is the VACUETTE—yet it is free from the drawbacks that makes the first a once-a-week sweeper and the second an incomplete cleaner.

Once try a Vacuette, once run its generous suction nozzle across a floor, and you will realize what a useful place it will fill in your daily work.

Your first demonstration will convince you.

SPECIAL TO INTRODUCE, \$18.00.
