SALE OF USED CARS and Trucks

We have made up our minds to reduce our used car and truck stock down to a minimum and do it without delay. Hence we are conducting a big special sale and have made positive cuts in prices ranging from 15 to 40 per cent.

OVERHAULED AND REFINISHED USED CARS

We have adopted the policy of putting our used cars in good shape before selling them and with but one or two exceptions every car in the house has been thoroughly overhauled, worn parts renewed, and needed adjustments made. Every car must pass a rigid inspection mechanically. Then we repaint the bodies, wheels, redress the upholstery and the top and the result is a car that is often taken for new.

BIG VARIETY TO CHOOSE FROM

While our cars are moving rapidly we still have good stock to choose from. Light Mitchell Sixes in five, seven and roadster models. In fine shape yet going at rock bottom prices. Overlands, Chevrolets, Briscoes and other light fours. In trucks we have one, two and three ton sized of standard makes priced way down for this sale.

NO CARS WITHHELD. ALL PRICES CUT

We have red-tagged every car in the house and tags show former and sale price so that you can easily figure the big saving we are offering motor buyers on the eve of the Spring and Summer driving season. The saving is big enough so that you can afford to take a day off and come in and make your selection at this sale. It will pay you to hurry.

TERMS GRANTED

We will make reasonable terms on any car in the house or will take your old car as part payment if it is salable.
