TEACHING FORESTRY.

Tennessee has just passed a forest study law that it will be well for every state to look into. They are going to study forestry in the schools of that state now that the legislature has passed the law authorizing such work in conjunction with nature study of every kind.

The Nashville art association, aided by the educational campaign of the American forestry association, Washington, did it. The national tree-planting campaign of the association was put on in every county in the state. The art women got busy with pictures and charts.

Tennessee has forests but intends now to have some more. In this country we have 81,000,000 acres of idle land. That vast area can be put to work growing trees, the American forestry association points out. The forest fire bill of the country is around \$25,000,000 every year. There were fifty-one forest fires going at one time in the state of Pennsylvania a week or two ago. This is waste with a capital W. The American people are famous for it.

In congress the Snell Forestry Bill is up, and it provides for co-operation with the states in forest fire fighting. President Harding has proclaimed May 22-28 as forest protection week. Write your congressman to vote for the Snell Bill.

What are we doing in this state? Tennessee is going to teach forest values from now on. Forest products enter into the cost of everything. Tennessee has done a good job. Is this state next?

Stereopticon Lecture Schedule Announced.
Rev. Earl B. Cotton, announces that the stereopticon lectures will be given during the next two weeks. The first lecture will be given at Kelso, May 18.

May 19, the lecture and pictures "How we got our English Bible" will be given at the Pleasant Home Methodist church. The Girl Reserves are planning a short program of songs and recitations in connection with the lecture.

Wednesday, May 25, the lecture will be given at Cliff church. It is planned to have a candy sale and social hour with games, etc., in connection with the lecture.

This paper has about 480 inches of space. Over half of it is paid for by advertisers. Every inch of it is for your benefit, ads and all.

TROUTDALE

A fine Mothers' Day program was enjoyed at the church last Sunday evening, under the direction of a local committee. Mrs. H. E. Boyd had charge of the choir which was especially good. A male quartet consisting of Clarence Parsons, H. E. Boyd, Lee Evans and George Lumsden; and a woman's quartet consisting of Mrs. Alice Rix, Mrs. William Crawford, Miss Belle Parsons and Miss Miriam Spence gave musical numbers. Mrs. Rix gave a very fine tribute to mothers and Miriam Spence sang "Rock Me To Sleep."

Jack Spence and family from McMinnville visited W. C. Spence and family Sunday.
Those to go from Troutdale to attend the state Parent-Teacher association at Pendleton were Mrs. L. A. Harlow, Mrs. Mary Parsons, Mrs. Frances Fox, and Mrs. A. D. Kendall.

Mrs. Minnie Biederman of Baker City is visiting with Mrs. Frances Fox.
Little Lois Bradley is recovering from a recent illness.

Mrs. Eva Hubbard of Portland is visiting at the L. A. Harlow home.
W. N. Rineheart is painting his house.

Mrs. Geo. Parish, who has been suffering from an attack of the grip, is improving.
Rev. F. W. Snyder of the Oregon Anti-Saloon League, will preach at Troutdale Sunday morning at 11 o'clock. In the evening Rev. Earl B. Cotton will conduct the services and plans to make a report of the parish Sunday school institute which was held at Gresham Tuesday afternoon and evening.

ELECTRICAL HOUSEKEEPING
Eight hours is insufficient time for human hands to perform all the household tasks. However, it is possible to establish the eight hour day in the home by making use of the electrical hands that are offered to you in the form of the electric dishwasher, washing machine, ironing machine, vacuum sweeper and the many other labor-saving devices.
These untiring "household assistants" will do your work quickly and efficiently. Your home can be run systematically with these electrical hands for they never disappoint you or grow tired. Your time and energy can be devoted to the better things in life, when you keep house electrically.
Glad to show you any time.
