

Good for Nothing Space Can Be Made Useful and Attractive

There's a room in your house you have never been in. It is the attic. It isn't yet a room.

PABCO wall board will transform this attic into a neat, comfortable and convenient winter play room for the kiddies.

Give the Children a Room of Their Own
You, yourself, can do the work during spare hours. A few dollars will cover the total expense.

Make the Attic Good for Something
