SMILE!

Decide right now that you will get under a roof of your own and smile—the smile of American Independence.

There are designs of over 500 "smile bringing" homes at this office. Come in and see them.

BE A PEP-TIMIST

A pessimist closes an eye, wrinkles his face, draws up the corner of his mouth and says, "It can't be done."

An optimist has a face full of sunshine. He beams on you and says, "It can be done"—and then lets Joe do it.

But a pep-ti-mist takes off his coat, rolls up his sleeves, goes to it and does it.

A home can never be all it should be to you and yours unless you own it.

Just when we think we are going to make ends meet, some sucker moves one of the ends.

CEDAR AND VICTORY

The Misses Fay and Greta Tillotson and Ruth Sherwin of Willamina were the guests of Miss Mable Wood Sunday. In the afternoon the four girls with Mr. and Mrs. I. T. Wood and Mrs. Alta Gentry and son Russell made the trip up the Columbia highway. Crowds were everywhere and the river looked unusual in its flood stage. At Multnomah Falls a number of camp tables were covered with water which backed up to within a short distance of the lower falls.

Mr. and Mrs. G. W. Alder, Mr. and Mrs. Geo. Hayden and children, motored to Sheridan over the weekend where they visited with relatives.

Mrs. A. C. Johnson and daughters, Mrs. M. Eck, Mrs. Minnie Ellingson and her son Chester M. Johnson of Portland, called on Rev. and Mrs. J. H. Wood last Friday afternoon. Mrs. Johnson and family were former members of the church at Silverton of which Rev. Wood was pastor in his early work in Oregon. They saw the newspaper accounts of the recent gathering at Rev. and Mrs. Woods home which was held in honor of their 60th wedding anniversary and came to add their best wishes to the many they have received. Letters of congratulation have been arriving quite frequently since the accounts were published, many of them being from friends who had lost track of Rev. Wood and his wife.

Mr. and Mrs. Geo. Hayden and Mr. and Mrs. Alder attended the county council at Riverdale last Sunday. Mrs. Alder was elected reporter.

Preaching services will be held at the Victory schoolhouse all week. Everyone is invited to attend. Mr. Bailey will preach.

THE PLEASANT HOME barber shop and pool room will be open from 8 a. m. to 8 p. m. from now on. C. B. Steinman.

A travelling man who recently called at the office of the Oregon Growers Cooperative Association said that a Seattle hotel charges 25 cents for one Oregon baked apple with cream, 25 cents for just a few prunes and then 20 cents for a serving of half a grape fruit. He thought something was wrong when three Oregon prunes or one Oregon baked apple should cost more than a serving of half a Florida grape fruit.

Danger! Destruction of homes and resources by forest fires is a loss to the entire community. You share it. Four hundred thousand dollars a day is distributed in the Pacific Coast states by forest industry. Forest protection is prosperity insurance. Be careful with fire.
