

GRANGE TO HOLD FIELD DAY JULY 30

Pomona grange met at Russellville Wednesday, June 15 with T. J. Kreuder, the master in the chair. More than three hundred persons were seated at the tables at noon and there was a good attendance all day. The regular work was taken up in the morning and in the afternoon Mrs. Palmer was in charge of the program. Milton A. Miller, Internal Revenue collector, was the main speaker. He explained the workings of the income tax law and gave a very clear explanation of the purpose and result of the law.

In the evening the fifth degree was given a class of forty-one. The coming national grange is inspiring a large number of grangers to take the fifth degree in order that they may attend the national grange and receive the seventh degree.

A program of readings and music was given following the degree work.

Pomona grange took up a number of important questions and voted to entertain the national grange at Evening Star grange hall sometime during the session which will be held in Portland in November.

Pomona also subscribed for 10 shares of Multnomah County Fair stock.

Delegates to the state grange gave detailed reports of the work of that body, and much discussion followed.

The Grange Field Day will be held at the Multnomah County Fair grounds the last Saturday in July. The grangers also planned for a clean-up day at the fair grounds on July 15. All grangers are requested to join in this proposition. Gresham grange has volunteered to furnish coffee at noon and basket dinners will be in order.

Rockwood grange won the membership banner for the second time. This makes the third grange to win the banner two times and whichever wins it the third time becomes the permanent owner.

The banner is awarded to the grange which has the largest percentage of gain in membership between the Pomona grange sessions. Lents and Russellville are trying with Rockwood at the present time. Some other grange may win it however as the fields are pretty well canvassed and the larger the membership the larger number of new members must be obtained.

MISSIONARY SOCIETY ELECTS OFFICERS

Officers and executive secretaries for the coming year were elected on Wednesday afternoon at the regular meeting of the Women's Home Missionary society. Plans were perfected for the visit to the Deaconess Home in Portland today, when the Gresham society will meet with other societies of the Portland district to sew for the poor. This is an all-day meeting and the women of Gresham will serve the luncheon. A program given in the afternoon is furnished by members of Portland societies.

The officers elected at Wednesday's meeting were: President, Mrs. James Sterling; Vice-President, Mrs. C. M. Zimmerman; Treasurer, Mrs. Benj. Cameron; Recording Secretary, Mrs. Jas. Elkington; Corresponding Secretary, Mrs. Mary Patch; Mite Box Secretary, Mrs. D. E. Louw; Supply Secretary, Mrs. C. J. Lundquist; Secretary of Membership, Mrs. Frank Peak; Secretary of Literature, Mrs. L. L. Kidder; Secretary of Mothers' Jewels, Miss Mina Gilbert; Helper for Young Peoples' Work, Mrs. A. W. Shipley.

SUDDEN DEATH COMES TO BOYD O. BRASSWELL

A telegram coming from the Fresno, California, Woodmen of the World Camp to Multnomah Camp in Portland of the same order announced the death yesterday from pneumonia of Boyd O. Brasswell, son of Mr. and Mrs. S. C. Brasswell of the Pleasant Valley neighborhood. The deceased was born on October 27, 1898.

The body will be brought home for burial. The funeral arrangements are in charge of Portland Post American Legion. Those wishing to attend from here should communicate with F. L. Mack, commander of the Gresham Post, for particulars as to date of funeral, which has not yet been set.

Boyd went to California a few weeks ago. His illness was known to his parents who received several telegrams telling of his condition, and yesterday morning the message advised them to come at once. The telegram announcing the death of his son came while Mr. Brasswell was on his way to Portland to take the train for California.

Besides his parents, Boyd is survived by one brother, Raymond, of the family home, an infant daughter and a divorced wife who are in Austin, Texas.

DEMONSTRATIONS TO BE GIVEN JUNE 28 AND 29

Herbert Cosby, Poultry Extension Expert from O. A. C., will be in Multnomah county on June 28 and 29 to give another demonstration at each of the four different demonstration farms in the eastern part of the county.

The first demonstration will be held at Mrs. Anna Schiller's farm near Schiller station on the O. W. P. line, at 10 o'clock Tuesday morning, June 28. In the afternoon the demonstration will be given at the home of A. L. Davies near Springdale at 2 o'clock.

Wednesday, the demonstration will be given at the home of Mrs. C. N. Taylor in the Pleasant Valley neighborhood at 10 o'clock and at the home of Mrs. D. B. Seidel on Buckley Avenue in the afternoon at 2 o'clock.

These meetings have always proven of the greatest interest to the poultrymen as questions of importance to all have been taken up and the exchange of helpful ideas has counted for much in advancement of the poultry business in this section.

CELEBRATE JULY 4 AT GRESHAM

The Outlook has been informed that arrangements are being made for a celebration at Gresham on July Fourth. The program is not completed but is promised for publication in next Tuesday's Outlook. Arrangements are being made for a fine program of horse races in the afternoon and Gresham ball team has a game lined up for the forenoon of the day on the Gresham ball grounds. There will be no admission to the fair grounds park. All are invited to come and bring basket dinners. Free coffee and ice cream are promised.

HIGH SCHOOL BOARD TO BE VOTED ON MONDAY

Monday, June 20, is the date of the annual school election and this will be one of the most important meetings that has been held for several years. Besides the regular business of the annual school meeting, five directors are to be elected from Union High school district and this element in the election is creating a keen interest.

Seven candidates are up for election, one from each district. They are as follows: Dr. A. W. Botkin, Gresham; C. H. Johanson, Orient; H. P. Christensen, Powell Valley; Gustaf Noreen, Hillview; W. C. Lawrence, Lynch; H. L. Douthitt, Victory; Mark Nickerson, Terry.

Of these seven, five will be elected. Ballots have been prepared and will be placed in the hands of the local school boards who will have charge of the district elections and will send the votes cast, to the clerk of the Union district. The present board will meet at once and canvass the votes and declare the five receiving the highest number of votes elected. The new board will take charge on July 1st.

This method of electing the union high school directors was inaugurated by a bill which was passed at the last session of the legislature, the main portions of which will be found elsewhere in this paper.

The Gresham district will hold its annual meeting at the grade school at 2:30 P. M. Monday, June 20th.

Don't slight yourself by slighting the want ads.

BORING AND VICINITY.

By Rica Anderson
The pagan gods lived on nectar and ambrosia—no doubt a very excellent bill of fare. From time immemorial newlyweds have thrived on Tillamook cheese with a few other trifles added as dessert. Perhaps that is why two years ago, Leslie Dallas went to the coast with something up his sleeve which was not explained until last week when he returned with his Tillamook bride. Another young man, Benedict is John Karlen.

A Gresham young lady is responsible. The local "shiver-ee" fans better get their traps in order, for rumor has it that "Henry" is next and soon to assume the responsibility of hunting cheese for two. This June wedding gale is blowing couples into the minister's parlor like leaves into the fence corners before a Nebraska whirlwind. Even those who have been considered immune are victims. Really, it is enough to make a fellow feel a little nervous these days because there is no telling who'll be next.

Mrs. Sib Dallas reports that one of her White Leghorns laid an egg which is perhaps the largest ever laid by that breed of chickens. It was 8 1/4 inches the long way and 7 inches the short. She also had a cabbage rose that measured 7 inches in diameter, or about 22 inches around. Can you beat it?

Matt Anderson, Sr., is visiting his son Fred. He is having the pleasure of laying new walks about the house and finding numberless other small jobs, requirements that make his visits interesting.

Although the Boring baseball team boys wore their new suits to the Barton game last Sunday, the Portland papers failed to make any mention of it. That was really too bad for the suits can't be given much publicity any more without telling about two untimely accidents which no one really cares to have advertised. Suffice it to say that two of the players walked home backwards because they slid bases. Of course, Boring won. The score was 6-3 and Barton is still crabbing. The fans say that it was an interesting game.

DAN CUPID HAS FOUND MANY WILLING VICTIMS

That the little red god has been busy in this vicinity is evidenced by the large number of weddings which have taken place recently. It is reported that several more will follow before the marriage month passes.

Dollowitch-Lent

Joseph H. Dollowitch and Miss Jean Lent were married at Gresham in the presence of a few relatives on Sunday, June 12th, the Rev. Henry Breunagle officiating.

Mr. and Mrs. Dollowitch will make their home at the J. B. Lent farm in the Lusted neighborhood.

Henningsen-Stucki

Henry Henningsen of the Damascus neighborhood and Miss Bertha Stucki were married at the home of Dr. and Mrs. A. Thompson on Wednesday, June 15, by Dr. Thompson.

Karlen-Wiese

Miss Bertha Wiese became the bride of John Karlen at the White Rose Dairy near Gresham on June 11. The groom is one of the proprietors of the White Rose dairy.

Whitehead-Pedersen

Miss Lorina Pedersen and Gus E. Whitehead were married on Wednesday, June 15, at the home of the bride's parents, Mr. and Mrs. Jens Pedersen, of Barton. The young people will live at Barton.

Old Time Dance

The Security Benefit Association will give an old time dance in Metzger's Hall, Saturday evening, June 18. Admission 35 cents. —Adv.

Next Sunday on the Gillis grounds, the home team will proceed to get Gillis' goat.

Mrs. Boese, daughter Mrs. Rosie Shearer and little Helen, Annie and Nettie Boese, with Ernest Boese as chauffeur made a Sunday trip to Sandy spending the day with the Ernest Fischer family.

In Clackamas county there is a school district called Whiskey Hill. Not far away is another district named Dry Land. A well-worn trail connects the two.

It hasn't been raining rain at all. It's been raining dollars down.

Nobody knows who starts the idea going, but every week or so the public is urged to observe prune day or rice day or wash day or some other sort of day. Usually, the orders seem to emanate from some one high and mighty in Portland; but this vicinity has decided to start something for a change. Therefore, the following proclamation is issued to the state in general, but to this locality in particular: Whereas, the fern along the public highways has grown to an excessive height and civic pride cannot be fostered when smothered in tall weeds—Be it resolved that Saturday, June 18, be designated Fern Day and be observed by cutting fern along the fences facing the traveled roads. And be it further resolved that he who fails to do this is a well anyway the World's fair is only four years away, so let's begin getting ready for it.

Deputy assessor Morand is looking like Jiggs this week. His head is lavishly ornamented with adhesive paste and white patches. He says he has had a boil on top of his head fanned. The suspicions may be groundless, but he has been out assessing some pretty husky farmers lately.

Rica Anderson will leave for Mouth, Oregon, next week to take in commencement exercises and attend summer school.

TROUTDALE

Rev. Earl B. Cotton will preach at the Methodist church next Sunday evening at 8 o'clock. The topic of the evening sermon will be "Our Biggest Tax."

CLUB BOYS AND GIRLS ARE AT SUMMER SCHOOL

Twenty-three of the future leaders of this county left Sunday and Monday for the two weeks' summer school at O. A. C., where they will join the boys and girls from all parts of the state who are receiving this training as a prize for the state champions in the club work. This year, delegates other than the prize winners are going and it would make most interesting reading if one could just know how the money was raised to send the different delegates. Apron sales, candy and food sales, pie socials, school booth prize money, ice cream socials, luncheons, cakes baked and sold to the neighbors, all added to the funds which were so carefully hoarded until the goal was reached. One club made and sold dress forms to help send delegates. A few of the group are paying their own expenses on the trip.

With the exception of one school, all are sending two delegates. This is due to the fine cooperation of the different communities. The boys' clubs were organized later in the year and did not take up the proposition of sending a delegate to the school with the exception of the Lynch Poultry Club which has its representative there.

The state champions going from this part of the county, are: Ray Lasey, Corbett; Carl Zimmerman, Gresham; Grant McMillan, Lynch; Wilma Chase, Orient. Other delegates are Muriel Holm and Eunice Partow, Maplewood; Frances Chambers, and Eleanor Ferris, Gilbert; Josephine Ropp and Lilly Moeckli, Hillsdale; Emma Langford, Orient; Mildred Johnson and Minnie Danielson, Powell Valley; Ina Smith and Helen Maxwell, Gresham; Ruth Wallace and Marcella Gill, Russellville; Helen Lawrence, Henry Brown, Leslie Lynch and Nellie Pitts, Lusted; Lucile Godfrey and Edith Buxton of West Portland.

The program includes talks each day on subjects of vital interest to club boys and girls which are especially adapted to them.

The speakers are leading professors and teachers of the college. Some of the topics discussed on the various days are "gardening" by A. G. Boquet; "Potatoes," by Prof. Geo. Hyslop; "Corn," by Prof. Hyslop; there will also be judging contests and work in poultry and many other valuable things taken up which crowd a full program of instruction into the hours from 8 to 12 and 1:30 to 2:30 each day. Athletic events fill the time in the afternoons.

The girls will listen to lectures on "Textiles," "Care of the Kitchen," "Dyeing," "Care of Shoes," "Rugs," "Home Nursing," and many other topics by the leading experts in the Home Economics department.

Miss Calkins writes that the boys and girls are happy to the brim and much county spirit has developed, displayed through yells and songs. Multnomah delegation equal Clackamas county's—twenty-nine. Douglas county has eighteen. There are in all 175 delegates.

Among the local leaders from this county who went to O. A. C., were Mrs. J. Lynch, Miss Mary Hansen and Margaret Gabriel.

ZION SUNDAY SCHOOL TO HOLD PICNIC SUNDAY

Children's Day will be observed at the Zion Evangelical church, Sunday morning and an invitation is extended to all to attend. Rev. F. H. Freund of Portland will address the children. After the services all will go to the Sandy river for the annual Sunday School picnic. A basket lunch will be served and hot coffee furnished. After dinner games and visiting will be the main features of the day. It is hoped that all will plan to attend the services at 10:30 and stay for the picnic.

With the Baptists
Rev. J. C. Witterhahn of Portland formerly from Missouri, will preach both morning and evening at the Bethel Baptist church, Sunday, June 19th.

Rev. Witterhahn will take for his topic Sunday morning "The God of the Patriarchs." In the evening at 8 o'clock, his subject will be "The Man Who Just Came Short."

NEW PHONE RATES EFFECTIVE JULY 1

The Multnomah and Clackamas Co. Mutual Telephone company has been granted an increase in rates by the Public Service commission of Oregon and the new rates will go into effect July 1st.

The rates show a considerable increase but the most important feature is the zone system which will go into effect. By this system an additional charge will be made for each mile of line beyond the three mile limit.

The following schedule of rates has been allowed:

Private business phones, \$2.50 per month, plus \$1.00 per month per mile, additional for each mile or fraction thereof outside city limits.

Party business phones, \$2.00 per month, plus 10c per month per mile, additional for each mile or fraction thereof outside city limits.

Residence phones, one-party lines \$2.00 per month, plus \$1.00 per month per mile additional for each mile or fraction thereof outside the city limits.

Residence phones, party lines, \$1.50 per month within 3 mile limit of Central office, plus 10c per month per mile additional for each mile or fraction thereof outside three mile limit.

Desk Sets, \$.25 per month additional.

Extension Bells, \$.25 per month additional.

Extension, phone, \$1.00 per month additional.

Extension with ringing power, \$1.50 per month additional.

Installation charges, \$2.50.

Removal charges from one location to another in same room, \$1.00.

Removal charges in same building not in same room, \$2.00.

The charging of phone service by Zone Rates is something new and it is understood will be put into effect all over the state. It is undoubtedly the fairest and most equitable system of charging, by this means the expense will be borne by the lines where the investment and maintenance are the highest. The subscriber living 4 miles from the Central Office on an air line will pay 10c per month more than subscribers inside a three-mile limit, or 5 miles out 20c per month more and so on. The business phones will bear the bulk of the increase, the raise per cent being considerably higher than the residence phones.

S. S. ASSOCIATION TO PICNIC ON FOURTH

The Pleasant Home District Sunday School association is planning a picnic on the Fourth of July at the Cottrell school grounds if possible. A committee of three, representing each of the schools in the association, met Tuesday evening and outlined plans for the day which they hope to make one of the best of its kind ever held in this part of the county.

A full program of games, races, and contests is planned and will be in charge of G. Nasshahn, R. B. Wilkenson and Rev. E. B. Cotton. One of the features of the day will be a baseball game in which the teams will be chosen from the crowd and baseball players from past, present and future seasons will have a chance to exhibit their skill.

A program of readings and musical numbers by local talent will be given in the afternoon and there will be a speaker.

A picnic dinner and plenty of ice cream will be important features of the day's program. All members of the Baptist and Methodist Sunday Schools at Pleasant Home and the Cottrell Community Sunday School are requested to keep this date free from other engagements. An invitation to join in the picnic has been extended to several schools not in the association at the present time, but which are contemplating joining in the future. An invitation is extended to all in the different communities to join in this occasion.

The committee in charge of the general arrangements consists of G. Nasshahn, from the Baptist school, R. B. Wilkenson from the Cottrell school, and Mrs. Alta M. Gentry from the Methodist school.
