The bright ginghams and crepes displayed this week should appeal to all who feel they would like one more gingham dress and unnatural indeed would be the woman who would not wish for at least one more if her attention was once caught by the bright colors or the electric buzzer that keeps buzzing away at intervals.

The first loads of gravel are being spread on First street. The specifications call for gravel from curb to curb, eight inches deep in the center and three inches deep on the sides.

Ed. Aylsworth and family left Wednesday for a trip to Tillamook and Manzanita beaches.

Two prominent Gresham business men, Cecil Metzger and T. J. Bailey, are being missed from their regular places of business this week.
