Workmen are busy at the Gresham bakery enlarging the plant and installing new and modern machinery to take care of the increasing business, which has rendered the present plant inadequate. Mr. and Mrs. Theo. VonDoninck and several employees are devoting their entire time to the business.

Mr. and Mrs. Roberts Leighton and children arrived on Saturday evening from LaGrande for a short visit with Mrs. Leighton's mother, Mrs. P. A. Gould and other relatives. The drill struck a gas pocket. He says when it exploded it shook the earth for miles around. It is estimated that it is burning 20,000,000 cubic feet of gas a day. He says it is a wonderful sight but is probably costing the company \$100,000 a day.
